Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-328, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

This brochure describes the benefits of EmblemHealth (formerly GHI) under our contract OPM02-FEDVIP-02AP-07 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your benefits. You and your family members do not have a right to benefits that were available before January 1, 2025, unless those benefits are also shown in this brochure.

If you are enrolled in this plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits, if they are also listed on the coverage.

OPM negotiates benefits and rates with each plan annually. Rates are shown at the end of this brochure.

EmblemHealth is responsible for the selection of in-network providers in your area. Contact us at 1-877-842-3625 for the names of participating providers or to request a provider directory. You may also view the most current directory via our web site at www.EMBLEMHEALTH.com. The continued participation of any specific provider cannot be guaranteed. Thus, you should choose your plan based on the benefits provided and not on a specific provider's participation. When you phone for an appointment, please remember to verify that the provider is currently in-network. If your provider is not currently participating in the provider network, you may nominate them to join. Nomination forms are available on our web site, or call us and we will have a form sent to you. You cannot change plans, outside of open season, because of changes to the provider network.

Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If you require the services of a specialist and one is not available in your area, please contact us for assistance.

The EmblemHealth Dental Plan and all other FEDVIP plans are not a part of the Federal Employees Health Benefits (FEHB) Program / Postal Service Health Benefits (PSHB) Program.

You can also select from several nationwide vision plans. You may enroll in a dental plan or a vision plan, or both. Some TRICARE beneficiaries may not be eligible to enroll in both. Visit www.opm.gov/dental or www.opm.gov/vision for more information.
Enroll Through BENEFEDS	You enroll online at www.BENEFEDS.gov . Please see Section 2, Enrollment, for more information.

Coverage Effective Date	If you sign up for a dental and/or vision plan during the 2024 Open Season, your coverage will begin on January 1, 2025. Pre-Tax Salary Deduction For Employees	Employees automatically pay premiums through payroll deductions using pre-tax dollars. Annuitants automatically pay premiums through annuity deductions using post-tax dollars. TRICARE enrollees automatically pay premiums through payroll deduction or automatic bank withdrawal (ABW) using post-tax dollars.

This year, open season runs from November 11, 2024 through midnight EST December 9, 2024. You do not need to re-enroll each open season unless you wish to change plans or plan options; your coverage will continue from the previous year. In addition to the annual open season, there are certain events that allow you to make specific types of enrollment changes throughout the year. Please see Section 2, Enrollment, for more information.
Continued Group Coverage After Retirement	Your enrollment or your eligibility to enroll may continue after retirement. You do not need to be enrolled in FEDVIP for any length of time to continue enrollment into retirement. Your family members may also be able to continue enrollment after your death. Section 2 Enrollment

Enroll Through BENEFEDES

You must use BENEFEDES to enroll or change enrollment in a FEDVIP plan. BENEFEDES is a secure enrollment website (www.BENEFEDES.gov) sponsored by OPM. If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680, to enroll or change your enrollment.

If you are currently enrolled in FEDVIP and do not want to change plans, **your enrollment will continue automatically. Please Note:** your plans' premiums may change for 2025.

Note: You cannot enroll or change enrollment in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDES.

Enrollment Types

Self Only: A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family; however, your family members will not be covered under FEDVIP.

Self Plus One: A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members, but the additional family members will not be covered under FEDVIP.

Self and Family: A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

Dual Enrollment

If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.

Opportunities to Enroll or Change Enrollment

Open Season

If you are an eligible employee, annuitant, or TRICARE-eligible individual (TEI), you may enroll in a dental and/or vision plan during the November 11, 2024 through midnight EST December 9, 2024, Open Season. Coverage is effective January 1, 2025.

During future annual open seasons, you may enroll in a plan or change or cancel your dental and/or vision coverage. The effective date of these open season enrollments and changes will be set by OPM. **If you want to continue your current enrollment, do nothing. Your enrollment carries over from year to year, unless you change it.**

New hire/Newly eligible

You may enroll within 60 days after you become eligible as:

- a new employee;
- a previously ineligible employee who transferred to a covered position;
- a survivor annuitant if not already covered under FEDVIP; or
- an employee returning to service following a break in service of at least 31 days.

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer-paid premium.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan’s service area and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of the loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either plan, you cannot change or cancel that particular enrollment until the next open season, unless you experience a QLE that allows such a change or cancellation.

VA Exception for Cancellation

Generally, you may cancel your enrollment only during the annual open season. However, if you are a FEDVIP enrollee paying premiums on a **post-tax basis**, and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may** change your enrollment type or cancel your enrollment within 60 days of receiving notification of VA dental or vision eligibility. This 60-day period may fall outside of open season. VA dental or vision eligibility documentation must be submitted to OPM via the BENEFEDS mailbox (benefedsportal@opm.gov) within 60 days of notification to support the FEDVIP enrollment change or cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the open season effective date. An eligible family member’s coverage also ends upon the effective date of the cancellation.

If you are a FEDVIP enrollee paying premiums on a **pre-tax basis**, and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may not** change or cancel your FEDVIP enrollment until the next open season.

FEDVIP enrollees can verify if they are paying their premiums on a pre-or post-tax basis by contacting BENEFEDS at 1-877-888-3337, TTY number 1-877-889-5680.

When Coverage Stops

Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when you:

- no longer meet the definition of an eligible employee, annuitant, or TRICARE-eligible individual;
- as a Retired Reservist you begin active duty;
- as sponsor or primary enrollee leaves active duty
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments;
- cancel the enrollment during open season;
- a Retired Reservist begins active duty; or
- the sponsor or primary enrollee leaves active duty.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA), you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

Please review IRS - Publication 969, Health Savings Accounts and Other Tax-Favored Health Plans (www.irs.gov/forms-pubs/about-publication-969) for additional information about carryover and contribution amounts for the upcoming tax year. If you have an HCFSA or LEX HCFSA FSAFEDS account and you have not exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over a set maximum amount of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st. You must also actively re-enroll in a health care or limited expense account during the next open season to be carryover eligible. Your re-enrollment must meet the minimum contribution amount for the plan year. If you do not re-enroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time permitted. This is known as the “Use-it-or-Lose-it” rule. Carefully consider the amount you will elect.

Current FSAFEDS participants must re-enroll to participate in the program next year.

See www.fsafeds.gov or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058. Note: FSAFEDS is not open to retired employees or to TRICARE eligible individuals.

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you may use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB/PSHB and/or FEDVIP plans.

Section 3 How You Obtain Care

Identification Cards/ Enrollment Confirmation	<p>We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a plan provider.</p> <p>If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 1-877-842-3625. You may also request replacement cards through www.EMBLEMHEALTH.com, the EmblemHealth website.</p> <p>It is important to bring your FEDVIP and FEHB/PSHB identification cards to every dental appointment because most FEHB/PSHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.</p>
Where You Get Covered Care	<p>When you get care from "plan providers" you will not have to file claims.</p>
Plan Providers	<p>We list plan providers in the provider directory, which we update periodically. The list is on our website at: www.EMBLEMHEALTH.com/Federal or you may call us at 1-877-842-3625.</p>
In-Network	<p>No referrals are necessary. No primary care dentist need be selected. Your dentist will submit claim forms to EmblemHealth for payment.</p>
Out-of-Network	<p>Members must submit claim forms to EmblemHealth and EmblemHealth will reimburse members for covered services at the out of network allowance. You are responsible for paying the provider the difference between EmblemHealth's Preferred Fee Allowance reimbursement and the non-network providers charge for covered services. The Preferred Schedule of Allowance is the amount we pay our in-network, participating dentists.</p>
Alternate Benefit	<p>If more than one service or procedure can be used to treat the covered person's dental condition, EmblemHealth may decide to authorize coverage only for the less costly covered service or procedure when that service is an appropriate method of treatment and the service meets broadly accepted national standards of dental practice. The alternate benefit could result in additional out-of-pocket expense.</p>
Pre-Certification	<p>Pre-certifications (also called pre-treatment estimates) are not mandatory, but EmblemHealth suggests pre-certification of benefits for procedures including surgeries, prosthetics, major restorations, endodontics, periodontics, orthodontics, implants and other expensive treatments. Pre-certifications are also recommended for treatment costing \$300 or more.</p>
FEHB/PSHB First Payor	<p>When you visit a provider who participates with both, your FEHB/PSHB plan and your FEDVIP plan, the FEHB/PSHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB/PSHB and FEDVIP benefit payments and the FEDVIP plan allowance. We are responsible for facilitating the process with the FEHB/PSHB first payor.</p> <p>It is important to bring your FEDVIP and FEHB/PSHB identification cards to every dental appointment because most FEHB/PSHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.</p>
Coordination of Benefits	<p>We will coordinate benefit payments with the payment of benefits under other group health benefits coverage you may have and the payment of dental costs under no-fault insurance that pays benefits without regard to fault.</p>

We may request that you verify/identify your health insurance plan(s) annually or at time of service.

Service Area

To enroll in this plan, you must live in our service area. This is where our providers practice. Our service area is: All of New York and the New Jersey counties of Bergen, Essex, Hudson, Middlesex, Monmouth, Morris, Passaic, Somerset, Sussex and Union. Connecticut counties of Fairfield, Litchfield and New Haven. Pennsylvania counties Pike and Monroe.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other services out of our service area unless the services have prior plan approval.

If you move outside of our service area, you may enroll in another plan. If your family members live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a nationwide plan. If you move outside of our service area, you do not have to wait until open season to change plans. Contact BENEFEDS at www.BENEFEDS.gov or call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to change plans.

Section 4 Your Cost for Covered Services

This is what you will pay out-of-pocket for covered care:

Deductible	<p>A deductible is a fixed expense you must incur for certain out-of-network covered services and supplies before we start paying benefits for them. Copayments do not count toward any deductible.</p> <p>Example: In our plan, the out-of-network calendar year deductible for an individual is \$50 and family \$150.</p>
Annual Benefit Maximum	<p>Once you reach this amount, you are responsible for all charges.</p> <p>This plan's annual maximum is unlimited per covered person.</p>
In-Network Services	<p>High Option: EmblemHealth pays 100% of the Premier schedule of allowances to the EmblemHealth network provider for covered services.</p> <p>Standard Option: EmblemHealth pays 100% of the Preferred schedule of allowances to the EmblemHealth network provider for covered services.</p>
Out-of-Network Services	<p>Member must pay the difference of the EmblemHealth Preferred Schedule of Allowances and the dentist's normal charges.</p>
Emergency Services	<p>EmblemHealth will pay 100% of the plan allowance for emergency services, the same as any other covered benefit. For emergencies incurred outside of our service area, EmblemHealth will pay 100% of the plan allowance for emergency benefits only. No other services are covered unless prior authorization is received from EmblemHealth.</p>
In-Progress Treatment	<p>In-progress treatment for dependents of retiring active duty service members who were enrolled in the TRICARE Dental Program (TDP) will be covered for the 2025 plan year; regardless of any current plan exclusion for care initiated prior to the enrollee's effective date.</p> <p>This requirement includes assumption of payments for covered orthodontia services up to the FEDVIP policy limits, and full payment where applicable up to the terms of FEDVIP policy for covered services completed (but not initiated) in the 2025 plan year such as crowns and implants.</p>

Section 5 Dental Services and Supplies Class A Basic

Section 8 Claims Filing and Disputed Claims Processes

How to File a Claim for Covered Services

You must file a claim for services you received outside the plan's service area. Submit the ADA claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number
- Name and address of the physician or facility that provided the service or supply
- Dates you received the services or supplies
- Diagnosis
- Type of each service or supply
- The charge for each service or supply
- A copy of the explanation of benefits, payments, or denial from any primary payer -- such as the Medicare Summary Notice (MSN), and
- Receipts, if you paid for your services.

Submit your claims to:

EmblemHealth
P.O. Box 2838
New York, New York 10116-2838

Deadline for Filing Your Claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

Disputed Claims Process

Follow this disputed claims process if you disagree with our decision on your claim or request for services. **The FEDVIP law does not provide a role for OPM to review disputed claims.**

Disputed Claim Steps:

1. Ask us in writing to reconsider our initial decision. You must:

(a) Write to us within 6 months from the date of our decision; and

(b) Send your request to us at: EmblemHealth Customer Service Department, 55 Water St, New York, NY 10041; and

(c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and

(d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, dental records, and explanation of benefits (EOB) forms.

2. We have 30 days from the date we received your request to:

(a) Pay the claim (or, if applicable, arrange for the dental care provider to give you the care); or

(b) Write to you and maintain our denial -- go to step 4; or

(c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.

3. If the dispute is not resolved through the reconsideration process, you may request a review of the denial. You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision.

4. If you do not agree with our final decision, you may request an independent third party, mutually agreed upon by us and OPM, review the decision.

The decision of the independent third party is binding and is the final review of your claim. **This decision is not subject to judicial review.**

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, plan, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOBs) statements.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-877-842-3625 and explain the situation.
- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless they are disabled and incapable of self- support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure, prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.
