

Compass Rose Health Plan

www.compassrosebenefits.com

888-438-9135

2025

A Fee-for-Service with a Preferred Provider Organization (High Option) and Exclusive Provider Organization (Standard Option)

This Plan's health coverage qualifies as minimum essential coverage and meets the minimum value standard for the benefits it provides. See page 8 for details. This Plan is accredited. See page 13 for details.

Who may enroll in this Plan: All Federal employees and annuitants who are eligible to enroll in the Federal Employees Health Benefits Program.

Membership dues: There are no membership dues.

Postal Employees and Annuitants are no longer eligible for this plan. (unless currently under Temporary Continuation of Coverage)

Enrollment codes for this Plan:

High Option

421 - Self Only

423 - Self Plus One

422 - Self and Family

Standard Option

424 - Self Only

426 - Self Plus One

425 - Self and Family

Special Notice: The Compass Rose Health Plan has changed from a closed health plan to an open health plan available to all eligible FEHB enrollees with no membership dues.

Important Notice from the Compass Rose Health Plan About Our Prescription Drug Coverage and Medicare

The Office of Personnel Management (OPM) has determined that the Compass Rose Health Plan's prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all Plan participants and is considered Creditable Coverage. This means you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare. If you elect to enroll in the Compass Rose Medicare Advantage plan which includes Medicare Part D, your FEHB plan will not coordinate benefits. The Compass Rose Medicare Advantage plan will take over as the primary and only payer.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly Medicare Part D premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19% higher than what many other people pay. You will have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (October 15 through December 7) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 800-772-1213, (TTY: 800-325-0778).

Potential Additional Premium for Medicare's High Income Members Income-Related Monthly Adjustment Amount (IRMAA)

The Medicare Income-Related Monthly Adjustment Amount (IRMAA) is an amount you may pay in addition to your FEHB premium to enroll in and maintain Medicare prescription drug coverage. **This additional premium is assessed only to those with higher incomes and is adjusted based on the income reported on your IRS tax return.** You do not make any IRMAA payments to your FEHB plan. Refer to the Part D-IRMAA section of the Medicare website: <https://www.medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/monthly-premium-for-drug-plans> to see if you would be subject to this additional premium.

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help.
- Call 800-MEDICARE 800-633-4227, TTY 877-486-2048.

Introduction

This brochure describes the benefits of the Compass Rose Health Plan under contract (CS 1065) between Compass Rose Health Plan and the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. Customer service may be reached at 866-368-7227 or through our website: www.compassrosebenefits.com. The address for the Compass Rose Health Plan administrative office is:

Compass Rose Health Plan
11490 Commerce Park Dr. Ste 220
Reston, VA 20191-1547

This brochure is the official statement of benefits. No verbal statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One or Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2025, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates for each plan annually. Benefit changes are effective January 1, 2025, and changes are summarized on page 15. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples:

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee and each covered family member; “we” means the Compass Rose Health Plan.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

Stop Healthcare Fraud!

Fraud increases the cost of healthcare for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things you can do to prevent fraud:

- Do not give your plan identification (ID) number over the phone or to people you do not know, except for your healthcare provider, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using healthcare providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanation of benefits (EOBs) statements that you receive from us.
- Periodically review your claims history for accuracy to ensure we have not been billed for services you did not receive.
- Do not ask your doctor to make false entries on certificates, bills, or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.

- If the provider does not resolve the matter, call us at 888-438-9135 and explain the situation.
- If we do not resolve the issue:

CALL – THE HEALTHCARE FRAUD HOTLINE

877-499-7295

OR go to www.opm.gov/our-inspector-general/hotline-to-report-fraud-waste-or-abuse/complaint-form/

The online reporting form is the desired method of reporting fraud in order to ensure accuracy, and a quicker response time.

You can also write to:

**United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100**

Do not maintain as a family member on your policy:

- Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
- Your child age 26 or over (unless they are disabled and incapable of self-support prior to age 26).

A carrier may request that an enrollee verify the eligibility of any or all family members listed as covered under the enrollee's FEHB enrollment.

- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage (TCC).
- Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include falsifying a claim to obtain FEHB benefits, trying to or obtaining services or coverage for yourself or for someone who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed by your provider for services received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

Discrimination is Against the Law

We comply with applicable Federal nondiscrimination laws and do not discriminate on the basis of race, color, national origin, age, disability, religion, or sex (including pregnancy, sexual orientation, and gender identity). We do not exclude people or treat them differently because of race, color, national origin, age, disability, religion, or sex (including pregnancy, sexual orientation, and gender identity).

The health benefits described in this brochure are consistent with applicable laws prohibiting discrimination. All coverage decisions will be based on nondiscriminatory standards and criteria. An individual's protected trait or traits, for example a member's gender identity or the fact that the covered benefit is sought in connection with gender-affirming care, will not be used to deny health benefits for items, supplies, or services that are otherwise covered and determined to be medically necessary.

Preventing Medical Mistakes

Medical mistakes continue to be a significant cause of preventable deaths within the United States. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. Medical mistakes and their consequences also add significantly to the overall cost of healthcare. Hospitals and healthcare providers are being held accountable for the quality of care and reduction in medical mistakes by their accrediting bodies. You can also improve the quality and safety of your own healthcare and that of your family members by learning more about and understanding your risks. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers. Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you take notes, ask questions and understand answers.

2. Keep and bring a list of all the medications you take.

- Bring the actual medication or give your doctor and pharmacist a list of all the medications and dosages that you take, including non-prescription (over-the-counter) medications and nutritional supplements.
- Tell your doctor and pharmacist about any drug, food, and other allergies you have, such as to latex.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medication is what the doctor ordered. Ask the pharmacist about your medication if it looks different than you expected.
- Read the label and patient package insert when you get your medication, including all warnings and instructions.
- Know how to use your medication. Especially note the times and conditions when your medication should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.
- Understand both the generic and brand names of your medication. This helps ensure you do not receive double dosing from taking both a generic and a brand. It also helps prevent you from taking a medication to which you are allergic.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures. Will it be in person, by phone, mail, through the Plan or provider's portal?
- Do not assume the results are fine if you do not get them when expected. Contact your healthcare provider and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital or clinic is best for your health needs.

- Ask your doctor about which hospital or clinic has the best care and results for your condition if you have more than one hospital or clinic to choose from to get the healthcare you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital or clinic.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, “Who will manage my care when I am in the hospital?”
- Ask your surgeon:
 - "Exactly what will you be doing?"
 - "About how long will it take?"
 - "What will happen after surgery?"
 - "How can I expect to feel during recovery?"
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reactions to anesthesia, and any medications or nutritional supplements you are taking.

Preventable Healthcare Acquired Conditions ("Never Events")

When you enter the hospital for treatment of one medical problem, you do not expect to leave with additional injuries, infections, or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, patients do suffer from injuries or illnesses that could have been prevented if doctors or the hospital had taken proper precautions. Errors in medical care that are clearly identifiable, preventable and serious in their consequences for patients, can indicate a significant problem in the safety and credibility of a healthcare facility. These conditions and errors are sometimes called "Never Events" or "Serious Reportable Events."

We have a benefit payment policy that encourages hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores, and fractures, and to reduce medical errors that should never happen. When such an event occurs, neither you nor your FEHB plan will incur costs to correct the medical error. The Compass Rose Health Plan utilizes The Centers for Medicare and Medicaid Services policy for Never Events. Claims must be submitted for Never Events using specific codes. There is no financial responsibility for the Plan or the member.

FEHB Facts

Coverage information

- **No pre-existing condition limitation** We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

- **Minimum essential coverage (MEC)** Coverage under this plan qualifies as minimum essential coverage. Please visit the Internal Revenue Service (IRS) website at www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision for more information on the individual requirements for MEC.

- **Minimum value standard** Our health coverage meets the minimum value standard of 60% established by the ACA. This means that we provide benefits to cover at least 60% of the total allowed costs of essential health benefits. The 60% standard is an actuarial value; your specific out-of-pocket costs are determined as explained in this brochure.

- **Where you can get information about enrolling in the FEHB Program** See www.opm.gov/healthcare-insurance/healthcare for enrollment information as well as:
 - Information on the FEHB Program and plans available to you
 - A health plan comparison tool
 - A list of agencies that participate in Employee Express
 - A link to Employee Express
 - Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, give you other plans' brochures and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment
- How you can cover your family members
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire
- What happens when your enrollment ends
- When the next Open Season for enrollment begins

We do not determine who is eligible for coverage and in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, disability leave, pensions, etc. you must also contact your employing or retirement office.

Once enrolled in your FEHB Program Plan, you should contact your carrier directly for updates and questions about your benefit coverage.

- **Enrollment types available for you and your family** Self Only coverage is only for the enrollee. Self Plus One coverage is for the enrollee and one eligible family member. Self and Family coverage is for the enrollee and one or more eligible family members. Family members include your spouse and your dependent children under age 26, including any foster children authorized for coverage by your employing agency or retirement office. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self Plus One or Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self Plus One or Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self Plus One or Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form. Benefits will not be available to your spouse until you are married. A carrier may request that an enrollee verify the eligibility of any or all family members listed as covered under the enrollee's FEHB enrollment.

Contact your employing or retirement office if you want to change from Self Only to Self Plus One or Self and Family. If you have a Self and Family enrollment, you may contact us to add a family member.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits. Please tell us immediately of any changes in family member status, including your marriage, divorce, annulment, or when your child reaches age 26. We will send written notice to you 60 days before we proactively disenroll your child on midnight of their 26th birthday unless your child is eligible for continued coverage because they are incapable of self-support due to a physical or mental disability that began before age 26.

If you or one of your family members is enrolled in one FEHB plan, you or they cannot be enrolled in or covered as a family member by another enrollee in another FEHB plan.

If you have a Qualifying Life Event (QLE) - such as marriage, divorce, or the birth of a child - outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB Program, change your enrollment, or cancel coverage. For a complete list of QLEs, visit the FEHB website at www.opm.gov/healthcare-insurance/life-events. If you need assistance, please contact your employing agency, personnel/payroll office, or retirement office.

- **Family Member Coverage**

Family members covered under your Self and Family enrollment are your spouse (including your spouse by a valid common-law marriage from a state that recognizes common-law marriages) and children as described below. A Self Plus One enrollment covers you and your spouse, or one other eligible family member as described below.

Biological children, adopted children, and stepchildren

Coverage: Natural children, adopted children, and stepchildren are covered until their 26th birthday.

Foster children

Coverage: Foster children are eligible for coverage until their 26th birthday if you provide documentation of your regular and substantial support of the child and sign a certification stating that your foster child meets all the requirements. Contact your human resources office or retirement system for additional information.

Children incapable of self-support

Coverage: Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.

Married children

Coverage: Married children (but NOT their spouse or their own children) are covered until their 26th birthday.

Children with or eligible for employer-provided health insurance

Coverage: Children who are eligible for or have their own employer-provided health insurance are covered until their 26th birthday.

Newborns of covered children are insured only for routine nursery care during the covered portion of the mother's maternity stay.

You can find additional information at www.opm.gov/healthcare-insurance.

- **Children's Equity Act**

OPM implements the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self Plus One or Self and Family coverage in the FEHB Program if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll in Self Plus One or Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self Plus One or Self and Family coverage, as appropriate, in the lowest-cost nationwide plan option as determined by OPM.
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self Plus One or Self and Family, as appropriate, in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self Plus One or Self and Family, as appropriate, in the lowest-cost nationwide plan option as determined by OPM.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that does not serve the area in which your children live, unless you provide documentation that you have other coverage for the children.

If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that does not serve the area in which your children live as long as the court/administrative order is in effect. Similarly, you cannot change to Self Plus One if the court/administrative order identifies more than one child. Contact your employing office for further information.

- **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be processed according to the 2025 benefits of your prior plan or option.** If you have met (or pay cost-sharing that results in your meeting) the out-of-pocket maximum under the prior plan or option, you will not pay cost-sharing for services covered between January 1 and the effective date of coverage under your new plan or option. However, if your prior plan left the FEHB Program at the end of the year, you are covered under that plan's 2024 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

- **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

- **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31-day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension, is entitled to continuation of the benefits of the Plan during the continuation of the confinement but not beyond the 60th day after the end of the 31-day temporary extension.

You may be eligible for spouse equity coverage or assistance with enrolling in a conversion policy (a non-FEHB individual policy).

- **Upon divorce**

If you are an enrollee, and your divorce or annulment is final, your ex-spouse cannot remain covered as a family member under your Self Plus One or Self and Family enrollment. You must contact us to let us know the date of the divorce or annulment and have us remove your ex-spouse. We may ask for a copy of the divorce decree as proof. In order to change enrollment type, you must contact your employing or retirement office. A change will not automatically be made.

If you were married to an enrollee and your divorce or annulment is final, you may not remain covered as a family member under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the Spouse Equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get additional information about your coverage choices. You can also visit OPM's website, www.opm.gov/healthcare-insurance/healthcare/plan-information/guides. We may request that **you** verify the eligibility of any or all family members listed as covered under the enrollee's FEHB enrollment.

- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job or if you are a covered child and you turn 26, regardless of marital status, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, from your employing or retirement office or from www.opm.gov/healthcare-insurance. It explains what you have to do to enroll.

Alternatively, you can buy coverage through the Health Insurance Marketplace where, depending on your income, you could be eligible for a tax credit that lowers your monthly premiums. Visit www.HealthCare.gov to compare plans and see what your premium, deductible, and out-of-pocket costs would be before you make a decision to enroll. Finally, if you qualify for coverage under another group health plan (such as your spouse's plan), you may be able to enroll in that plan, as long as you apply within 30 days of losing FEHBP coverage.

- **Finding Replacement Coverage**

We will provide you with assistance in finding a non-group contract available inside or outside the Marketplace if:

- Your coverage under TCC or the spouse equity law ends;
- You decide not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

You must contact us in writing within 31 days after you are no longer eligible for coverage. For assistance in finding coverage, please contact us at 866-368-7227 option 8 or visit our website at www.compassrosebenefits.com.

Benefits and rates under the replacement coverage will differ from benefits and rates under the FEHB Program. However, you will not have to answer questions about your health and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Health Insurance Marketplace**

If you would like to purchase health insurance through the ACA's Health Insurance Marketplace, please visit www.HealthCare.gov. This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.

Section 1. How This Plan Works

This Plan is a fee-for-service (FFS) Plan. OPM requires that FEHB plans be accredited to validate the plan operations and/or care management meet nationally recognized standards. The Compass Rose Health Plan is accredited by the Accreditation Association for Ambulatory Healthcare (AAAHC). For information on the Compass Rose Health Plan's accreditation, please contact us at 866-368-7227 option 8. Vendors that support the Compass Rose Health Plan have programs that hold accreditation from URAC (Optum Rx and UMR) and National Committee for Quality Assurance (NCQA) (Optum Rx and UMR). You can choose your own physicians, hospitals, and other healthcare providers.

We reimburse you or your provider for your covered services, usually based on a percentage of the amount we allow. The type and extent of covered services, and the amount we allow, may be different from other plans. Read brochures carefully.

General features of our High Option

We have a Preferred Provider Organization (PPO)

Our High Option Plan offers services through a PPO. This means that certain hospitals and other healthcare providers are “preferred providers.” When you use our PPO providers, you will receive covered services at a reduced cost. The Plan uses the UnitedHealthcare Choice Plus network in all states. Contact us for the names of PPO providers and to verify their continued participation.

To access the electronic directory visit www.compassrosebenefits.com/UHC. A page titled "Find a Provider" will appear. Click on the link for "View Providers." If you are searching for a behavioral health provider, click on "Behavioral Health Directory." Also, when you make an appointment, please verify that your physician is still a PPO provider. Contact 888-438-9135 for information concerning your PPO. Providers with premium designation will have two blue hearts along with the words "Premium Care Physician."

On the High Option, the non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If no PPO provider is available, or you do not use a PPO provider, the standard non-PPO benefits apply.

Providers outside the United States will be paid at the in-network level of benefits.

General features of our Standard Option

We have an Exclusive Provider Organization (EPO)

Our Standard Option Plan offers services through an EPO. This means you must use in-network providers in order to receive benefits. See Section 4, *Important Notice About Surprise Billing - Know Your Rights*, for the exceptions to this requirement.

To access the electronic directory visit www.compassrosebenefits.com/UHC. A page titled "Find a Provider" will appear. Click on the link for "View Providers." If you are searching for a behavioral health provider, click on "Behavioral Health Directory." Also, when you make an appointment, please verify that your physician is still a PPO provider. Contact 888-438-9135 for information concerning your PPO. Lower copayments may apply when using a Premium Care Physician. Premium Care Physician will have two blue hearts along with the words "Premium Care Physician."

In-network benefits apply only when you use an in-network provider. Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas.

Providers outside the United States will be paid at the in-network level of benefits.

How we pay providers

Our participating providers are generally reimbursed according to an agreed-upon fee schedule and are not offered additional financial incentives based on care provided or not provided to you. Our standard provider agreements do not contain any contractual provisions that include incentives to restrict a provider's ability to communicate with and advise patients of any appropriate treatment options. In addition, the Plan has no compensation, ownership, or other influential interests that are likely to affect provider advice or treatment decisions.

On the High Option, we may, through a negotiated agreement with some non-PPO healthcare providers, apply a discount to covered services that you receive from these providers.

We use UnitedHealthcare (UHC) guidelines with support from the UHC medical directors in making determinations regarding hospital stay precertification and extended stay reviews, observation stay reviews, and reviews of procedures that require precertification or authorization. (See How You Get Care in Section 3.) These determinations can affect what we pay on a claim.

We apply the National Correct Coding Initiative (NCCI) edits published by the Centers for Medicare and Medicaid Services (CMS) in reviewing billed services and making Plan benefit payments for them.

Your rights and responsibilities

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our network, and our providers. OPM's FEHB website (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Started in 1948
- Non-profit organization

You are also entitled to a wide range of consumer protections and have specific responsibilities as a member of this Plan. You can view the complete list of these rights and responsibilities by visiting our website, Compass Rose Health Plan at www.compassrosebenefits.com. You can also contact us to request that we mail a copy to you.

If you want more information about us, call 866-368-7227 option 8 or write to Compass Rose Health Plan P.O. Box 8095, Wausau, WI 54402-8095. You may also visit our website at www.compassrosebenefits.com.

By law, you have the right to access your protected health information (PHI). For more information regarding access to PHI, visit our website Compass Rose Health Plan at www.compassrosebenefits.com/PHI to obtain our Notice of Privacy Practices. You can also contact us to request that we mail you a copy of that Notice.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Section 2. Changes for 2025

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to High Option Only

- **Premium:** Your share of the premium rate will increase for Self Only, Self Plus One and Self and Family. See back cover.
- **Out-of-Pocket Maximum:** The out-of-pocket maximums will increase from \$9,000 to \$10,000 for PPO and \$11,000 to \$14,000 for Non-PPO for Self Plus One and Self and Family. See Section 4, *Your Costs for Covered Services*, page 27.
- **Medical Emergency:** The Plan will change the PPO, Non-PPO, and services used outside the 50 United States, outside of a physician's office \$200 copayment to 10% coinsurance of the Plan's allowance for all emergency room outpatient hospital services, no deductible. See Section 5(d), *Emergency Services*, page 80.
- **Urgent Care Visits:** The PPO and outside of the 50 United States urgent care copayments will decrease from \$50 per visit to \$35 per visit, no deductible. See Section 5(d), *Emergency Services*, page 80.
- **Skilled Nursing Facility:** The Plan will add 10% coinsurance of the Plan allowance to PPO and outside the United States services, deductible applies. The Plan will decrease the 90-day limit to a 75-day maximum. See Section 5(c), *Services Provided by a Hospital or Other Facility*, page 76.
- **Residential Treatment Services:** The Plan will add 10% coinsurance to PPO services and Providers used outside of the United States, deductible applies. See Section 5(e), *Mental Health and Substance Use Disorder Benefits*, page 85.
- **Medicare Prescription Drug Plan:** The Plan has added a Medicare Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP) for eligible High Option members. Eligible members will be automatically enrolled in the PDP EGWP and will have the opportunity to opt-out should they choose. Members who opt-out will continue to receive the Plan's regular prescription drug coverage. See Section 9, *Coordinating Benefits with Medicare and Other Coverage*, page 116.
- **Massage Therapy:** The Plan will increase the maximum reimbursement from \$60 to \$75 per visit, for up to 12 visits per person, per year. See Section 5(a), *Medical Services Provided by a Hospital or Other Facility*, page 56.

Changes to Standard Option Only

- **Premium:** Your share of the premium rate will increase for Self Only, Self Plus One and Self and Family. See back cover.
- **Massage Therapy:** The Plan will increase the maximum reimbursement from \$60 to \$75 per visit, for up to 4 visits per person, per year. See Section 5(a), *Medical Services Provided by a Hospital or Other Facility*, page 56.
- **Prescription Drugs:** The Plan will increase the maximum cost share for Tier 5 Specialty Formulary/Preferred Brand Name drugs, 30-day supply from \$1,000 to \$1,500. See Section 5(f), *Specialty Drug Benefits*, page 90.

Changes to High and Standard Options

- **Closed Health Plan:** The Plan will change from a closed health plan to an open health plan available to all eligible FEHB enrollees with no membership dues. See front cover.
- **Organ/Tissue Transplants:** The Plan will remove coverage of autologous bone or marrow stem cell transplants for systemic lupus erythematosus. The Plan will add coverage for autologous bone or marrow stem cell transplants for Systemic Sclerosis, Scleroderma-SSc (severe, progressive) and Multiple Sclerosis. The Plan will add coverage for allogeneic bone or marrow stem cell transplants clinical trials for Chronic Inflammatory Demyelinating Polyneuropathy (CIPD). The Plan will remove coverage for allogeneic bone or marrow stem cell transplants clinical trials for Multiple Sclerosis in 2025 based on ASCTC Guidelines. See Section 5(b), *Surgical and Anesthesia Services*, page 64.

We have clarified the following

- The Plan has clarified the accurate link to access an overseas claim form. See page 106.
- The Plan has clarified that Non-PPO charges under the Standard Option for nutritional counseling is 100% member responsibility. See page 56.
- The Plan has clarified that when enrolled in or eligible for Medicare, the copayment for providers with a premium designation does not apply. See pages 32 and 35.
- The Plan has clarified language for telehealth services under mental health. See page 83.
- The Plan has clarified language under infertility benefits. See page 45.
- The Plan has clarified vision benefits under the Standard Option. See page 50.

Section 3. How You Get Care

Identification Cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 888-438-9135 or write to us at Compass Rose Health Plan, P.O. Box 8095, Wausau, WI 54402-8095.

Where you get covered care

You can get care from any “covered provider” or “covered facility”. How much we pay – and you pay – depends on the type of covered provider or facility you use. On the High Option, if you use our preferred providers, you will pay less.

- **Balance Billing Protection**

FEHB Carriers must have clauses in their in-network (participating) providers agreements. These clauses provide that, for a service that is a covered benefit in the plan brochure or for services determined not medically necessary, the in-network provider agrees to hold the covered individual harmless (and may not bill) for the difference between the billed charge and the in-network contracted amount. If an in-network provider bills you for covered services over your normal cost share (deductible, copay, co-insurance) contact your Carrier to enforce the terms of its provider contract.

- **Covered Providers**

Covered providers are medical practitioners who perform covered services when acting within the scope of their license or certification under applicable state law and who furnish, bill, or are paid for their healthcare services in the normal course of business. Covered services must be provided in the state in which the practitioner is licensed or certified.

Benefits are provided under this Plan for the services of covered providers, in accordance with Section 2706(a) of the Public Health Service Act. Coverage of practitioners is not determined by your state’s designation as a medically underserved area.

We list network-contracted covered providers in our network provider directory, which we update periodically, and make available on our website.

This plan recognizes that transgender, non-binary, and other gender diverse members require health care delivered by healthcare providers experienced in gender affirming health. Benefits described in this brochure are available to all members meeting medical necessity guidelines regardless of race, color, national origin, age, disability, religion, sex or gender.

This plan provides Care Coordinators for complex conditions and can be reached at www.compassrosebenefits.com/livingwell for assistance.

We consider the following physicians to be primary care providers: family practitioner, general practitioner, internal medicine, pediatrician, OBGYN, nurse practitioner, physician assistant and certified nurse midwife. Mental health visits are also considered primary care. We consider other all other types of providers to be specialists.

Physician: Doctors of medicine or psychiatry (M.D.), osteopathy (D.O.), dental surgery (D.D.S.), medical dentistry (D.M.D.), podiatric medicine (D.P.M.), chiropractic (D.C.), and optometry (O.D.) when acting within the scope of their license or certification.

Qualified Clinical Psychologist: An individual who has earned either a Doctoral or Master's Clinical Degree in psychology or an allied discipline and who is licensed or certified in the state where services are performed. This presumes a licensed individual has demonstrated to the satisfaction of state licensing officials that he/she, by virtue of academic and clinical experience, is qualified to provide psychological services in that state.

Nurse Midwife: A person who is certified by the American College of Nurse Midwives or is licensed or certified as a nurse midwife in states requiring licensure or certification.

Nurse Practitioner/Clinical Specialist: A person who 1) has an active R.N. license in the United States, 2) has a baccalaureate or higher degree in nursing, and 3) is licensed or certified as a nurse practitioner or clinical nurse specialist in states requiring licensure or certification.

Clinical Social Worker: A social worker that 1) has a Master's or Doctoral degree in social work, 2) has at least two years of clinical social work practice, and 3) in states requiring licensure, certification or registration, is licensed, certified, or registered as a social worker where the services are rendered.

Speech, Occupational and Physical Therapists: A professional who is licensed or meets state requirements where the services are performed to provide Speech, Occupational or Physical therapy services.

Physician Assistant: A person who is licensed, registered, or certified in the state where services are performed.

Licensed Professional Counselor or Master's Level Counselor: A person who is licensed, registered, or certified in the state where services are performed.

Audiologist: A person who is licensed, registered, or certified in the state where services are performed.

Licensed Acupuncturist (L.A.C.): A person who has completed the required schooling and licensure to perform acupuncture in the state where services are performed (see definition of acupuncture benefits, Section 5(a)).

Christian Science Practitioner: If you choose to visit a Christian Science practitioner instead of a physician, the charges are still considered allowable expenses. To qualify for benefits, you must make this choice annually. The benefits will then apply to all subsequent expenses incurred during the year. You can change your mind only at the time of your first claim each year. The practitioner you choose must be listed as such in the *Christian Science Journal* that is current at the time the service is provided. Your choice will not apply to, or prevent payment of, a physician's maternity charges.

Lactation Consultant: A person who is licensed as a Registered Nurse in the United States (or appropriate equivalent if providing services overseas) and is licensed or certified as a lactation consultant by a nationally recognized organization.

- **Covered Facilities**

Covered facilities include:

Hospital

- 1) An institution that is accredited as a hospital under the hospital accreditation program of the Joint Commission; or
- 2) Any other institution that is operated pursuant to law, under the supervision of a staff of doctors with 24-hour-a-day nursing service, and that is primarily engaged in providing:
 - a) General patient care and treatment of sick and injured persons through medical, diagnostic and major surgical facilities, all of which facilities must be provided on its premises or under its control; or

b) Specialized inpatient medical care and treatment of sick or injured persons through medical and diagnostic facilities (including X-ray and laboratory) on its premises, under its control, or through a written agreement with a hospital (as defined above) or with a specialized provider of those facilities.

3) For inpatient and outpatient treatment of mental health and substance abuse, the term hospital also includes a freestanding residential treatment center facility approved by the Joint Commission or Commission on Accreditation of Rehabilitation Facilities (CARF).

In no event shall the term hospital include a convalescent nursing home or institution or part thereof that:

- is used principally as a convalescent facility, rest facility, nursing facility or facility for the aged;
- furnishes primarily domiciliary or custodial care including training in the routines of daily living;
- or is operated as a school.

Nursing School Administered Clinic: A clinic that is

- licensed or certified in the state where the services are performed, and
- provides ambulatory care in an outpatient setting—primarily in rural or inner city areas where there is a shortage of physicians. Services billed for by these clinics are considered outpatient ‘office’ services rather than facility charges.

Skilled Nursing Facility: An institution, or the part of an institution that provides skilled nursing care 24 hours a day and is classified as a skilled nursing facility under Medicare.

Birthing Center: A licensed facility that is equipped and operated solely to provide care, to perform uncomplicated spontaneous deliveries and to provide immediate postpartum care.

Hospice: A provider that meets all of the following:

1. primarily provides inpatient and outpatient hospice care to terminally ill persons;
2. is certified by Medicare as such, or is licensed or accredited as such by the jurisdiction it is in;
3. is supervised by a staff of M.D.’s or D.O.’s, at least one of whom must be on call at all times;
4. provides 24-hour nursing services under the direction of an R.N. and has a full-time administrator; and
5. provides an ongoing quality assurance program.

Freestanding Ambulatory Facility: A facility which is licensed by the state as an ambulatory surgery center or has Medicare certification as an ambulatory surgical center, has permanent facilities and equipment for the primary purpose of performing surgical and/or renal dialysis procedures on an outpatient basis, provides treatment by or under the supervision of doctors and nursing services whenever the patient is in the facility, does not provide inpatient accommodations, and is not, other than incidentally, a facility used as an office or clinic for the private practice of a doctor or other professional.

• **Transitional Care**

If you have a chronic and disabling condition and lose access to your specialist because we:

- terminate our contract with your specialist for reasons other than cause;
- drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Program plan; or
- reduce our Service Area and you enroll in another FEHB plan;

you may be able to continue seeing your specialist and receiving any PPO benefits for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist and your PPO benefits continue until the end of your postpartum care, even if it is beyond the 90 days.

- **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 888-438-9135. If you are new to the FEHB Program, we will reimburse you for your covered expenses while you are in the hospital beginning with the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center;
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

You need prior Plan approval for certain services

The pre-service claim approval processes for inpatient hospital admissions (called precertification) and for other services, are detailed in this Section. A **pre-service claim** is any claim, in whole or in part, that requires approval from us in advance of obtaining medical care or services. In other words, a pre-service claim for benefits (1) requires precertification, prior approval or a referral and (2) will result in a reduction of benefits if you do not obtain precertification, prior approval or a referral.

You must get prior approval for certain services. Failure to do so will result in a maximum \$500 penalty.

- **Inpatient hospital admission**

Precertification is the process by which —prior to your hospital admission— we evaluate the medical necessity of your proposed stay and the number of days required to treat your condition. Unless we are misled by the information given to us, we will not change our decision on medical necessity.

In most cases, your physician or hospital will take care of requesting precertification. Because you are still responsible for ensuring that your care is precertified, you should always ask your physician or hospital whether or not they have contacted us.

WARNING:

We will reduce our benefits for the inpatient hospital stay by \$500 if no one completes a precertification. If the stay is not medically necessary, we will only pay for any covered medical services and supplies that are otherwise payable on an outpatient basis. You are held harmless when PPO hospitals do not contact the Plan for precertification for inpatient hospitalizations.

Exceptions

You do not need precertification in these cases:

- You are admitted to a hospital outside the United States.
- You have another group health insurance policy that is the primary payer for the hospital stay.

- Medicare Part A is the primary payer for the hospital stay. Note: If you exhaust your Medicare hospital benefits and do not want to use your Medicare lifetime reserve days, then we will become the primary payer and you **do** need precertification.

- **Other services**

Your primary care provider has authority to refer you for most services. For certain services, however, prior approval must be obtained from us. Because you are still responsible for ensuring that your care is precertified, you should always ask your physician if they have contacted us. Call UMR at 888-438-9135 for prior authorization for services such as:

Section 5(a)

- Advanced imaging
- Applied behavior analysis
- Chemotherapy
- Dialysis
- Durable medical equipment over \$500 for rental or \$1,500 for purchase
- Facility sleep studies
- Fertility preservation services
- Genetic testing - all genetic testing must be prior authorized through eviCore at 888-209-5761, option 1
- Growth hormone therapy
- Home health care – after your 12th visit
- Medical foods
- Non-infused and infused injectable therapies
- Orthotic and prosthetic devices over \$2,000
- Pain management injections (such as epidural or facet)
- Physical, occupational and speech therapy - after your 12th visit
- Private duty nursing
- Radiation

Section 5(b)

- Bariatric surgery
- Biopsy procedures
- Gender affirmation procedures
- Oral and maxillofacial surgeries
- Surgical procedures performed outside a doctor's office (screening colonoscopies do not require prior authorization)
- Transgender surgical and non-surgical treatments and procedures
- Transplants
- Varicose vein surgery

Section 5(c)

- Chemotherapy
- Dialysis
- Hospice care
- Inpatient hospital treatment
- Non-emergency air ambulance

- Radiation
- Skilled nursing facilities

Section 5(e)

- Inpatient mental health and substance abuse treatment
- Partial hospitalization
- Residential treatment services

Section 5(f)

- Some prescription drugs

Note: We will reduce our benefits for any outpatient services requiring prior approval by \$500 if no one completes a review prior to your receiving the services. In most cases, your physician or provider will take care of requesting prior approval. Because you are still responsible for ensuring that your care is prior approved, you should always ask your physician or provider if they have contacted us.

How to request precertification for an admission or get prior authorization for Other services

First, you, your representative, your physician, or your hospital must call 800-808-4424 before admission or services requiring prior authorization are rendered.

Next, provide the following information:

- enrollee’s name and Plan identification number;
- patient’s name, birth date, identification number and phone number;
- reason for hospitalization, proposed treatment, or surgery;
- name and phone number of admitting physician;
- name of hospital or facility; and
- number of days requested for hospital stay

• **Non-urgent care claims**

For non-urgent care claims, we will tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim.

If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need for an extension of time before the end of the original **15-day** period. Our notice will include the circumstances underlying the request for extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

• **Urgent care claims**

If you have an **urgent care claim** (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether or not it is an urgent care claim by applying the judgment of a prudent layperson that possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to let you know what information we need to complete our review of the claim. You will then have up to 48 hours to provide the required information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) the end of time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at 888-438-9135. You may also call OPM's FEHB 2 at 202-606-3818 between 8 a.m. and 5 p.m. Eastern Standard Time to ask for the simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, call us at 888-438-9135. If it is determined that your claim is an urgent care claim, we will expedite our review (if we have not yet responded to your claim).

- **Concurrent care claims**

A concurrent care claim involves care provided over a period of time or over a number of treatments. We will treat any reduction or termination of our pre-approved course of treatment before the end of the approved period of time or number of treatments as an appealable decision. This does not include reduction or termination due to benefit changes or if your enrollment ends. If we believe a reduction or termination is warranted, we will allow you sufficient time to appeal and obtain a decision from us before the reduction or termination takes effect.

If you request an extension of ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, we will make a decision within 24 hours after we receive the claim.

- **Emergency inpatient admission**

If you have an emergency admission due to a condition that you reasonably believe puts your life in danger or could cause serious damage to bodily function, you, your representative, the physician, or the hospital must phone us within two business days following the day of the emergency admission, even if you have been discharged from the hospital. If you do not phone the Plan within two business days, penalties may apply - see *Warning under Inpatient hospital admissions* earlier in this Section and *If your hospital stay needs to be extended* below.

- **Maternity care**

You do not need precertification of a maternity admission for a routine delivery. However, if your medical condition requires you to stay more than 48 hours after a vaginal delivery or 96 hours after a cesarean section, then your physician or the hospital must contact us for precertification of additional days. Further, if your baby stays after you are discharged, your physician or the hospital must contact us for precertification of additional days for your baby.

Note: When a newborn requires definitive treatment during or after the mother's hospital stay, the newborn is considered a patient in their own right. If the newborn is eligible for coverage, regular medical or surgical benefits apply rather than maternity benefits.

- **If your hospital stay needs to be extended**

If your hospital stay – including for maternity care – needs to be extended, you, your representative, your doctor or the hospital must ask us to approve the additional days. If you remain in the hospital beyond the number of days we approved and did not get the additional days precertified, then

- For the part of the admission that was medically necessary, we will pay inpatient benefits, but
- For the part of the admission that was not medically necessary, we will only pay for medical services and supplies otherwise payable on an outpatient basis and will not pay inpatient benefits.

- **If your treatment needs to be extended** If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, we will make a decision within 24 hours after we receive the claim.

If you disagree with our pre-service claim decision

If you have a **pre-service claim** and you do not agree with our decision regarding precertification of an inpatient admission or prior approval of other services, you may request a review in accordance with the procedures detailed below. If your claim is in reference to a contraceptive, call 888-438-9135.

If you have already received the service, supply, or treatment, then you have a **post-service claim** and must follow the entire disputed claims process detailed in Section 8.

- **To reconsider a non-urgent care claim**

Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

In the case of a pre-service claim and subject to a request for additional information, we have 30 days from the date we receive your written request for reconsideration to:

1. Precertify your hospital stay or, if applicable, arrange for the healthcare provider to give you the care, or grant your request for prior approval for a service, drug, or supply; or
2. Ask you or your provider for more information.

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3. Write to you and maintain our denial.

- **To reconsider an urgent care claim**

In the case of an appeal of a **pre-service** urgent care claim, within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

Unless we request additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will expedite the review process, which allows oral or written requests for appeals and the exchange of information by phone, electronic mail, facsimile, or other expeditious methods.

- **To file an appeal with OPM**

After we reconsider your **pre-service claim**, if you do not agree with our decision, you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

Section 4. Your Costs for Covered Services

This is what you will pay out-of-pocket for covered care:

Cost-sharing Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.

Copayments A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services.

Example: When you see your PPO physician under the High Option, you pay a copayment of \$15 per visit, and when you go in a PPO hospital under the High Option, you pay a copayment of \$200 per admission.

Note: If the billed amount (or the Plan allowance that providers we contract with have agreed to accept as payment in full) is less than your copayment, you pay the lower amount.

Deductible A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for them. Copayments and coinsurance amounts, with the exception of Essential Health Benefits copayments, do not count toward any deductible. When a covered service or supply is subject to a deductible, only the Plan allowance for the service or supply counts toward the deductible.

High Option

The calendar year deductible for PPO is \$350 per person and for non-PPO services it is \$400 per person. Under a Self Only enrollment, the deductible is considered satisfied and benefits are payable for you when your covered expenses applied to the calendar year deductible for your enrollment reach \$350 for PPO and \$400 for non-PPO. Under a Self Plus One enrollment, the deductible is considered satisfied and benefits are payable for you and one other eligible family member when the combined covered expenses applied to the calendar year deductible for your enrollment reach \$700 for PPO and \$800 for non-PPO. Under a Self and Family enrollment, the deductible is considered satisfied and benefits are payable for all family members when the combined covered expenses applied to the calendar year deductible for family members reach \$700 for PPO and \$800 for non-PPO services.

Standard Option

The calendar year deductible for in-network is \$500 per person. Under a Self Only enrollment, the deductible is considered satisfied and benefits are payable for you when your covered expenses applied to the calendar year deductible for your enrollment reach \$500 for PPO. Under a Self Plus One enrollment, the deductible is considered satisfied and benefits are payable for you and one other eligible family member when the combined covered expenses applied to the calendar year deductible for your enrollment reach \$1,000 for in-network. Under a Self and Family enrollment, the deductible is considered satisfied and benefits are payable for all family members when the combined covered expenses applied to the calendar year deductible for family members reach \$1,000 for in-network. The Standard Option does not provide out-of-network benefits.

If the billed amount (or the Plan allowance that providers we contract with have agreed to accept as payment in full) is less than the remaining portion of your deductible, you pay the lower amount.

Example: If the billed amount is \$100, the provider has an agreement with us to accept \$80, and you have not paid any amount toward meeting your High Option deductible, you must pay \$80. We will apply \$80 to your deductible. We will begin paying benefits once the remaining portion of your High Option calendar year deductible of \$350 for PPO or \$400 for non-PPO has been satisfied.

Note: If you change plans during Open Season and the effective date of your new plan is after January 1 of the next year, you do not have to start a new deductible under your prior plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.

Coinsurance

Coinsurance is the percentage of our allowance that you must pay for your care. Coinsurance does not begin until you have met your calendar year deductible.

Example: Under the High Option, you pay 10% coinsurance of our allowance for an X-ray at a PPO provider.

If your provider routinely waives your cost

Note: If your provider routinely waives (does not require you to pay) your copayments, deductibles, or coinsurance, the provider is misstating the fee and may be violating the law. In this case, when we calculate our share, we will reduce the provider's fee by the amount waived.

For example, if your physician ordinarily charges \$100 for a service but routinely waives your 10% coinsurance under the High Option, the actual charge is \$90. We will pay \$81 (90% of the actual charge of \$90).

Waivers

In some instances, a UnitedHealthcare provider may ask you to sign a "waiver" prior to receiving care. This waiver may state that you accept responsibility for the total charge for any care that is not covered by your health plan. If you sign such a waiver, whether or not you are responsible for the total charge depends on the contracts that the Plan has with its providers. If you are asked to sign this type of waiver, please be aware that, if benefits are denied for the services, you could be legally liable for the related expenses. If you would like more information about waivers, please contact us at 888-438-9135.

Differences between our allowance and the bill

Our "Plan allowance" is the amount we use to calculate our payment for covered services. Fee-for-service plans arrive at their allowances in different ways, so their allowances vary. For more information about how we determine our Plan allowance, see the definition of Plan allowance in Section 10.

Often, the provider's bill is more than a fee-for-service plan's allowance. Whether or not you have to pay the difference between our allowance and the bill will depend on the provider you use.

The following two examples explain how we will handle your bill when you go to a PPO provider and when you go to a non-PPO provider. When you use a PPO provider, the amount you pay is much less.

- **PPO providers** agree to limit what they will bill you. Because of that, when you use a preferred provider, your share of covered charges consists only of your deductible and coinsurance or copayment. Here is an example under the High Option using coinsurance: You see a PPO physician who charges \$350, but our allowance is \$300. If you have met your deductible, you are only responsible for your coinsurance. That is, you pay just 10% of our \$300 allowance (\$30). Because of the agreement, your PPO physician will not bill you for the \$50 difference between our allowance and the bill.

Follow these steps when you use a PPO provider in order to receive PPO benefits:

- When you call for an appointment, verify that the physician or facility is still a PPO provider and;
- Present your PPO ID card confirming your PPO participation in order to receive PPO benefits.

- **Non-PPO providers**, on the other hand, have no agreement to limit what they will bill you. For instance, when you use a non-PPO provider, you will pay your deductible and coinsurance—plus any difference between our allowance and charges on the bill. Here is an example under the High Option: You see a non-PPO physician who charges \$350 and our allowance is again \$300. Because you have met your deductible, you are responsible for your coinsurance, so you pay 30% of our \$300 allowance (\$90). Plus, because there is no agreement between the non-PPO physician and us, the physician can bill you for the \$50 difference between our allowance and the bill. The Standard Option does not provide benefits for out-of-network providers, so you would pay 100% of the provider’s billed charges.

The following table illustrates the examples of how much you have to pay out-of-pocket, under the High Option for services from a PPO physician vs. a non-PPO physician. The table uses our example of a service for which the physician charges \$350 and our allowance is \$300. The example shows the amount you pay if you have met your calendar year deductible.

EXAMPLE

PPO physician

Physician’s charge: \$350

Our allowance: We set is at \$300

We pay: Allowance less copay: 90% of our allowance: \$270

You owe: Coinsurance: 10% of our allowance: \$30

+Difference up to charge: No: \$0

TOTAL YOU PAY: \$30

Non-PPO physician

Physician’s charge: \$350

Our allowance: We set it at: \$300

We pay: Allowance less copay: 70% of our allowance: \$210

You owe: Coinsurance: 30% of our allowance: \$90

+Difference up to charge: Yes: \$50

TOTAL YOU PAY: \$140

You should also see section Important Notice About Surprise Billing - Know Your Rights below that describes your protections against surprise billing under the No Surprises Act.

For those benefits where coinsurance or deductibles apply, we pay 100% of the Plan allowance for the rest of the calendar year after your expenses total:

High Option

- Medical PPO and Pharmacy Network providers: \$5,000 for Self Only and \$10,000 for Self Plus One or Self and Family;
- Medical, Non-PPO providers: \$7,000 for Self Only and \$14,000 for Self Plus One or Self and Family;
- For those individuals enrolled in the Medicare Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP): \$2,000 for Pharmacy and \$3,000 for Medical.

Your catastrophic protection out-of-pocket maximum for deductibles, coinsurance, and copayments

Standard Option

- Medical in-network and Pharmacy Network providers: \$9,000 for Self Only and \$18,000 for Self Plus One or Self and Family;
- Standard Option does not provide out-of-network benefits

Out-of-pocket expenses are:

- Under the High Option, your \$350 Self/\$700 Self Plus One/\$700 Self and Family calendar year deductible for PPO and \$400 Self/\$800 Self Plus One/\$800 Self and Family for non-PPO;
- Under the Standard Option, your \$500 Self/\$1,000 Self Plus One/\$1,000 Self and Family calendar year deductible for in-network;
- The percentage you pay for covered services after you have met your deductibles;
- The percentage you pay for surgery, anesthesia and extended medical care after an accidental injury;
- Copayments for Essential Health Benefits;
- Your copayment for hospital stays;

The following **cannot** be included in your out-of-pocket expenses:

- Copays or coinsurance not paid by you;
- Expenses in excess of the Plan allowance or maximum benefit limitations;
- Non-covered services and supplies;
- Expenses for dental care including the amount you pay for dental care after an accidental injury; or
- Any amounts you pay if benefits have been reduced because of noncompliance with our precertification, prior authorization or prior approval requirements.

Under the High Option, any expenses incurred that apply toward the catastrophic out-of-pocket maximum for PPO or Non-PPO apply toward both PPO and Non-PPO limits. Only the amount you actually pay towards your expenses will be applied to your out-of-pocket maximum.

Carryover

If you changed to this Plan during Open Season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your prior plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your prior plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your prior plan will first apply covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your prior plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

If we overpay you

We will make diligent efforts to recover benefit payments we made in error, but in good faith. We may reduce subsequent benefit payments to offset overpayments.

When Government facilities bill us

Facilities of the Department of Veterans Affairs, the Department of Defense, and the Indian Health Service are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

Important Notice About Surprise Billing - Know Your Rights

The No Surprises Act (NSA) is a federal law that provides you with protections against “surprise billing” and “balance billing” for out-of-network emergency services; out-of-network non-emergency services provided with respect to a visit to a participating health care facility; and out-of-network air ambulance services.

A surprise bill is an unexpected bill you receive for:

- emergency care – when you have little or no say in the facility or provider from whom you receive care, or for;
- non-emergency services furnished by nonparticipating providers with respect to patient visits to participating health care facilities, or for;
- air ambulance services furnished by nonparticipating providers of air ambulance services.

Balance billing happens when you receive a bill from the nonparticipating provider, facility, or air ambulance service for the difference between the nonparticipating provider's charge and the amount payable by your health plan.

Your health plan must comply with the NSA protections that hold you harmless from surprise bills.

For specific information on surprise billing, the rights and protections you have, and your responsibilities go to www.compassrosebenefits.com or contact the health plan at 888-438-9135.

The Federal Flexible Spending Account Program-FSAFEDS

- **Healthcare FSA (HCFSA)** - Reimburses an FSA participant for eligible out-of-pocket healthcare expenses (such as copayments, deductibles, over-the-counter drugs and medications, vision and dental expenses, and much more) for their tax dependents, including their adult children (through the end of the calendar year in which they turn 26).
- FSAFEDS offers paperless reimbursement for your HCFSA through a number of FEHB and FEDVIP plans. This means that when you or your provider files claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.

Section 5. High and Standard Option Benefits

High and Standard Option Overview

This Plan offers a High Option and a Standard Option. Benefits are described in Section 5. Make sure that you review the benefits that are available under the various Plan options. For certain services, prior approval must be obtained. Please see Section 3 for details.

The High and Standard Option Section 5 is divided into subsections. Please read *Important things you should keep in mind* at the beginning of the subsections. Also read the general exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about High and Standard Option benefits, contact us at 866-368-7227 option 8 or visit our website at www.compassrosebenefits.com

Each option offers unique features.

High Option Plan

- \$15 copayment per office visit for a primary care provider
- \$25 copayment per office visit for a specialist
- Access to the UnitedHealthcare Choice Plus network
- Freedom to choose out-of-network providers
- The Plan will pay 100% for annual routine physical exams, screenings and immunizations when you use a Preferred provider
- 100% coverage of routine maternity care
- Free telehealth through Doctor On Demand and network primary care providers
- PPO benefit applies to providers used outside the 50 United States
- No referral required to see a specialist
- \$5 generic drug copayments

Standard Option Plan

- \$10 copayment per office visit for a Primary Premium Care Physician. (Note: When enrolled in or eligible for Medicare, the copayment for providers with a premium designation does not apply.)
- \$30 copayment per office visit for a Specialty Premium Care Physician. (Note: When enrolled in or eligible for Medicare, the copayment for providers with a premium designation does not apply.)
- You must use in-network providers for your care to be eligible for benefits, except in certain circumstances, such as emergency care.
- \$100 annual allowance on vision services, such as glasses, contacts and exams
- Access to the United Healthcare Choice Plus network
- The Plan will pay 100% for annual routine physical exams, screenings and immunizations when you use a Preferred provider
- In-network benefit applies to providers used outside the 50 United States
- No referral required to see a specialist
- \$5 generic drug copayments

We offer Compass Rose Medicare Advantage, a UnitedHealthcare Group Medicare Advantage (PPO) plan, as an Enhanced Benefit Opportunity. This option is available to Compass Rose Health Plan retiree/annuitants enrolled in the High Option plan. Enrollment in this option is voluntary and members may opt-in or out of this plan at any time. Members have access to a nationwide PPO network and may seek care within the network or out-of-network. Members will also have access to various benefit enhancements that are noted on page 114. To learn and find out how to enroll, call our dedicated line with UnitedHealthcare at 844-279-9286, TTY 711, 8 a.m. to 8 p.m., local time, 7 days a week, or go to www.retiree.uhc.com/compassrose.

See page 15 for how our benefits changed this year.

Section 5(a). Medical Services and Supplies Provided by Physicians and Other Healthcare Professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Under the High Option, the calendar year deductible is: \$350 for PPO per Self enrollment and \$400 for non-PPO services per Self enrollment (\$700 for PPO per Self Plus One enrollment or per Self and Family enrollment and \$800 for non-PPO services per Self Plus One enrollment or Self and Family enrollment). The calendar year deductible applies to almost all benefits in this Section. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the Standard Option, the calendar year deductible is: \$500 for Self enrollment (\$1,000 for Self Plus One enrollment or per Self and Family enrollment). The calendar year deductible applies to almost all benefits in this Section. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the High Option, the PPO benefits apply only when you use a PPO provider or if a provider is used outside the 50 United States. When no PPO provider is available, non-PPO benefits apply.
- Under the High Option, the non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply. Please refer to Page 14 when utilizing non-PPO providers to review how coverage will apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- The coverage and cost-sharing listed below are for services provided by physicians and other health care professionals for your medical care. See Section 5(c) for cost-sharing associated with the facility (i.e., hospital, surgical center, etc.).
- **YOU MUST GET PRIOR APPROVAL FOR CERTAIN OUTPATIENT SERVICES; FAILURE TO DO SO WILL RESULT IN A MAXIMUM \$500 PENALTY.** Please refer to the prior approval information shown in Section 3 to be sure which services require prior approval.
- If you enroll in Compass Rose Health Plan High Option and have Medicare Parts A and B and it is primary, we offer an Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage Plan (PPO) to our members. This plan enhances your FEHB coverage by reducing/eliminating cost-sharing for services and/or adding benefits at no additional cost. It includes a \$125 monthly Part B reimbursement. The UnitedHealthcare Medicare Advantage Plan for Compass Rose Health Plan is subject to Medicare rules. (See Section 9 for additional details.)

<p>Note: For assistance locating a PPO provider, please call 888-438-9135.</p> <p>Note: Here are some things to keep in mind</p> <ul style="list-style-type: none"> You do not have to precertify your vaginal delivery; see page 23 for other circumstances, such as extended stays for you or your baby. As part of your coverage, you have access to in-network certified nurse midwives, home nurse visits and board-certified lactation specialists during the prenatal and post-partum period. You may remain in the hospital up to 48 hours after a vaginal delivery and 96 hours after a cesarean delivery. We will cover an extended stay if medically necessary and precertified. We cover routine nursery care of the newborn child during the covered portion of the mother's maternity stay. We will cover other care of an infant who requires non-routine treatment if we cover the infant under a Self Plus One enrollment or Self and Family enrollment. If your baby stays in the hospital after your discharge and is covered under your Self Plus One enrollment or Self and Family enrollment, you must precertify the extended stay and pay a separate hospital stay copayment. See Section 5(c). Bassinet or nursery charges on which you and your baby are confined are considered your maternity expenses, not your baby's. Sonograms and other related tests that are not included in your routine prenatal or postnatal care are covered in Lab, X-Ray, and other diagnostic tests, see page 36. We pay hospitalization and surgeon services for non-maternity care the same as for illness and injury. Hospital services are covered under Section 5(c) and Surgical benefits Section 5(b) for non-PPO providers. 	<p>PPO: Nothing (No Deductible)</p> <p>Non-PPO: 30% of the Plan allowance and any difference between our allowance and the billed amount</p> <p>Nothing (No Deductible) for providers used outside the 50 United States</p>	<p>In-network: 30% of the Plan allowance</p> <p>Out-of-network: You pay 100% of all charges</p> <p>30% of the Plan allowance for providers used outside the 50 United States</p>

Section 5(b). Surgical and Anesthesia Services Provided by Physicians and Other Healthcare Professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Under the High Option, the calendar year deductible is: \$350 for PPO per Self enrollment and \$400 for non-PPO services per Self enrollment (\$700 for PPO per Self Plus One enrollment or per Self and Family enrollment and \$800 for non-PPO services per Self Plus One enrollment or Self and Family enrollment). The calendar year deductible applies to almost all benefits in this Section. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the Standard Option, the calendar year deductible is: \$500 for Self enrollment (\$1,000 for Self Plus One enrollment or per Self and Family enrollment). The calendar year deductible applies to almost all benefits in this Section. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the High Option, the PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply. If outside the 50 United States the PPO benefits apply.
- Under the High Option, the non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply. Please refer to Page 14 when utilizing non-PPO providers to review how coverage will apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- The services listed below are for the charges billed by a physician or other healthcare professional for your surgical care. See Section 5(c) for charges associated with a facility (i.e., hospital, surgical center, etc.).
- **YOU MUST GET PRIOR APPROVAL FOR SURGICAL SERVICES OUTSIDE A PHYSICIAN'S OFFICE. FAILURE TO DO SO WILL RESULT IN A MAXIMUM \$500 PENALTY.** Please refer to the prior approval information shown in Section 3 for additional details on prior approval.
- If you enroll in Compass Rose Health Plan High Option and have Medicare Parts A and B and it is primary, we offer an Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage Plan (PPO) to our members. This plan enhances your FEHB coverage by reducing/eliminating cost-sharing for services and/or adding benefits at no additional cost. It includes a \$125 monthly Part B reimbursement. The UnitedHealthcare Medicare Advantage Plan for Compass Rose Health Plan is subject to Medicare rules. (See Section 9 for additional details.)

Benefit Description	You Pay	
Organ/tissue transplants (cont.)	High Option	Standard Option
<ul style="list-style-type: none"> The process for preauthorizing organ transplants is more extensive than the normal precertification process. Before your initial evaluation as a potential candidate for a transplant procedure, you or your doctor must contact the Plan's Medical Management Program so we can arrange to review the clinical results of the evaluation and determine if the proposed procedure meets our definition of "medically necessary" and is on the list of covered transplants. Coverage for the transplant must be authorized in advance, in writing by the Plan's Medical Management Program. We will pay for a second transplant evaluation recommended by a physician qualified to perform the transplant, if the transplant diagnosis is covered and the physician is not associated or in practice with the physician who recommended and will perform the organ transplant. A third transplant evaluation is covered only if the second evaluation does not confirm the initial evaluation. The transplant must be performed at a Transplant Center of Excellence to receive maximum benefits. If benefits are limited to \$100,000 per transplant, included in the maximum are all charges for hospital, medical and surgical care incurred while the patient was hospitalized for a covered transplant surgery and subsequent complications related to the transplant. Outpatient expenses for chemotherapy and any process of obtaining stem cells or bone marrow associated with bone marrow transplant (stem cell support) are included in benefits limit of \$100,000 per transplant. Tandem bone marrow transplants approved as one (1) treatment protocol are limited to \$100,000 when not performed at a Transplant Center of Excellence. Expenses for aftercare such as outpatient prescription drugs are not a part of the \$100,000 limit. Chemotherapy and procedures related to bone marrow transplantation must be performed only at a Transplant Center of Excellence to receive maximum benefits. 	<p>PPO: 10% of the Plan allowance (No Deductible)</p> <p>Non-PPO: 30% of the Plan allowance and any difference between our allowance and the billed amount</p> <p>10% of the Plan allowance (No Deductible) for providers used outside the 50 United States</p> <p>Note: If prior approval is not obtained or a Transplant Center of Excellence is not used, our allowance will be limited for hospital and surgery expenses up to a maximum of \$100,000 per transplant. If we cannot refer a member in need of a transplant to a designated facility, the \$100,000 maximum will not apply.</p>	<p>In-network: 30% of the Plan allowance</p> <p>Out-of-network: You pay 100% of all charges</p> <p>30% of the Plan allowance for providers used outside the 50 United States</p> <p>Note: If prior approval is not obtained or a Transplant Center of Excellence is not used, our allowance will be limited for hospital and surgery expenses up to a maximum of \$100,000 per transplant. Section 5(c). Services Provided by a Hospital or Other Facility, and Ambulance Services

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Under the High Option, the calendar year deductible is: \$350 per Self enrollment (\$700 per Self Plus One enrollment or Self and Family enrollment) for PPO services and \$400 per Self enrollment (\$800 per Self Plus One enrollment or Self and Family enrollment) for non-PPO services. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the Standard Option, the calendar year deductible is: \$500 for Self enrollment (\$1,000 for Self Plus One enrollment or per Self and Family enrollment). The calendar year deductible applies to almost all benefits in this Section. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the High Option, the PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply. PPO benefits apply when you reside outside the 50 United States.
- Under the High Option, the non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply. Please refer to Page 14 when utilizing non-PPO providers to review how coverage will apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- The amounts listed below are for the charges billed by the facility (i.e., hospital or surgical center) or ambulance service for your surgery or care. Any costs associated with the professional charge (i.e., physicians, etc.) are covered in Section 5(a) or (b).
- **YOU MUST GET PRECERTIFICATION FOR HOSPITAL STAYS, SKILLED NURSING FACILITIES (SNF), HOSPICE, AND NON-EMERGENCY AIR AMBULANCE; FAILURE TO DO SO WILL RESULT IN A MAXIMUM \$500 PENALTY.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification.
- If you enroll in Compass Rose Health Plan High Option and have Medicare Parts A and B and it is primary, we offer an Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage Plan (PPO) to our members. This plan enhances your FEHB coverage by reducing/eliminating cost-sharing for services and/or adding benefits at no additional cost. It includes a \$125 monthly Part B reimbursement. The UnitedHealthcare Medicare Advantage Plan for Compass Rose Health Plan is subject to Medicare rules. (See Section 9 for additional details.)

Section 5(d). Emergency Services/Accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Under the High Option, the calendar year deductible is: \$350 per person (\$700 per Self Plus One or Self and Family) for PPO and \$400 per person (\$800 per Self Plus One or Self and Family) for non-PPO services. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the Standard Option, the calendar year deductible is: \$500 for Self enrollment (\$1,000 for Self Plus One enrollment or per Self and Family enrollment). The calendar year deductible applies to almost all benefits in this Section. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the High Option, the PPO benefits apply only when you use a PPO provider or if you use a provider outside the 50 United States. When no PPO provider is available, non-PPO benefits apply.
- Under the High Option, the non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply. Please refer to page 14 when utilizing non-PPO providers to review how coverage will apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- If you enroll in Compass Rose Health Plan High Option and have Medicare Parts A and B and it is primary, we offer an Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage Plan (PPO) to our members. This plan enhances your FEHB coverage by reducing/eliminating cost-sharing for services and/or adding benefits at no additional cost. It includes a \$125 monthly Part B reimbursement. The UnitedHealthcare Medicare Advantage Plan for Compass Rose Health Plan is subject to Medicare rules. (See Section 9 for additional details.)

What is an accidental injury?

An accidental injury is a bodily injury that requires immediate medical attention and is sustained solely through violent, external, and accidental means, such as broken bones, animal bites, insect bites and stings, and poisonings. Accidental dental injury is covered under Section 5(g).

Benefit Description	You pay	
Note: We say "(No Deductible)" when the deductible does not apply.

Section 5(e). Mental Health and Substance Use Disorder Benefits

To locate a PPO provider, visit www.compassrosebenefits.com/UHC and select "View directory of behavioral health providers." Cost-sharing and limitations for PPO mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions. If you use a provider outside the 50 United States the PPO benefit applies.

Important things you should keep in mind about these benefits:

- Please remember all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Under the High Option, the calendar year deductible is: \$350 for PPO per Self enrollment and \$400 for non-PPO services per Self enrollment (\$700 for PPO per Self Plus One enrollment or per Self and Family enrollment and \$800 for non-PPO services per Self Plus One enrollment or Self and Family enrollment). The calendar year deductible applies to almost all benefits in this Section. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the Standard Option, the calendar year deductible is: \$500 for Self enrollment (\$1,000 for Self Plus One enrollment or per Self and Family enrollment). The calendar year deductible applies to almost all benefits in this Section. We added "(No Deductible)" to show when the calendar year deductible does not apply.
- Under the High Option, the non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply. Please refer to page 14 when utilizing non-PPO providers to review how coverage will apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- We will provide medical review criteria or reasons for treatment plan denials to enrollees, members or providers upon request or as otherwise required.
- OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one (1) clinically appropriate treatment plan in favor of another.
- **YOU MUST GET PRECERTIFICATION FOR HOSPITAL STAYS; FAILURE TO DO SO WILL RESULT IN A MAXIMUM \$500 PENALTY.** Please refer to the precertification and prior authorization information shown in Section 3 to be sure which services require precertification or prior authorization.
- If you enroll in Compass Rose Health Plan High Option and have Medicare Parts A and B and it is primary, we offer an Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage Plan (PPO) to our members. This plan enhances your FEHB coverage by reducing/eliminating cost-sharing for services and/or adding benefits at no additional cost. It includes a \$125 monthly Part B reimbursement. The UnitedHealthcare Medicare Advantage Plan for Compass Rose Health Plan is subject to Medicare rules. (See Section 9 for additional details.)

Benefit Description	You Pay	
Note: We say “(No Deductible)” when the deductible does not apply.		
Professional Services	High Option	Standard Option
<p>We cover professional services by licensed professional mental health and substance use disorder treatment practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or family therapists.</p>	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p>	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p>
<p>Diagnosis and treatment of psychiatric conditions, mental illness, or mental disorders. Services include:</p> <ul style="list-style-type: none"> • Diagnosis evaluation • Crisis intervention and stabilization for acute episodes • Medication evaluation and management (pharmacotherapy) • Psychological and neuropsychological testing necessary to determine the appropriate psychiatric treatment • Treatment and counseling (including individual or group therapy visits) • Diagnosis and treatment of substance use disorders including detoxification, treatment and counseling • Professional charges for intensive outpatient treatment in a provider's office or other professional setting • Electroconvulsive therapy • Bereavement counseling 	<p>PPO in physician's office: \$15 copayment (No Deductible)</p> <p>PPO outside physician's office: 10% of the Plan allowance.</p> <p>Non-PPO: 30% of the Plan allowance and any difference between our allowance and the billed amount</p> <p>Services in physician's office: \$15 copayment (No Deductible) for providers used outside the 50 United States.</p> <p>Services outside physician's office: 10% of the Plan allowance for providers used outside the 50 United States.</p>	<p>In-network in physician's office: \$10 copayment (No Deductible)</p> <p>In-network outside physician's office: 30% of the Plan allowance.</p> <p>Out-of-network: You pay 100% of all charges</p> <p>Services in physician's office: \$10 copayment (No Deductible) for providers used outside the 50 United States.</p> <p>Services outside physician's office: 30% of the Plan allowance for providers used outside the 50 United States.</p>

See these sections of the brochure for more valuable information about these benefits:

- Section 4, *Your cost for covered services*, for information about catastrophic protection for these benefits
- Section 7, *Filing a claim for covered services*, for information about submitting non-PPO claims

Section 5(f). Prescription Drug Benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described below.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Your prescribers must obtain prior approval/authorization for certain prescription drugs and supplies before coverage applies. Prior approval/authorizations must be renewed periodically. See *Other services* under *You need prior Plan approval for certain services* on page 21.
- Federal law prevents the pharmacy from accepting unused medications.
- Certain drugs require prior authorization, step therapy or may be subject to quantity limits. If your prescription is for a drug requiring prior authorization, additional information from your physician will be needed before the medication is dispensed. Your physician may call 800-711-4555 to begin the review process.
- The calendar year deductible does not apply to benefits in this Section.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- If you enroll in Compass Rose Health Plan High Option and have Medicare Parts A and B and it is primary, we offer an Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage Plan (PPO) to our members. This plan enhances your FEHB coverage by reducing/eliminating cost-sharing for services and/or adding benefits at no additional cost. It includes a \$125 monthly Part B reimbursement. The UnitedHealthcare Medicare Advantage Plan for Compass Rose Health Plan is subject to Medicare rules. (See Section 9 for additional details.)
- If you are enrolled in the Compass Rose High Option Plan and are entitled to Medicare Part A and/or are enrolled in Medicare Part B and you are not enrolled in the Compass Rose Medicare Advantage Plan, you will be automatically enrolled in our Medicare Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP). This Plan enhances your coverage by reducing the overall cost of your prescription copays and your prescription out-of-pocket maximum. You may opt out of the PDP EGWP and continue to receive the Plan's regular FEHB prescription drug coverage. See Section 9 for additional details regarding the PDP EGWP and the opt out process.

There are important features you should be aware of. These include:

Who can write your prescription. A licensed physician, optometrist, podiatrist or dentist, and in states allowing it, licensed/certified providers with prescriptive authority prescribing within their scope of practice must prescribe your medication.

Where you can obtain them. You may fill the prescription at a network pharmacy or through Optum Rx Pharmacy (home delivery). To locate a network pharmacy in your area, call 888-438-9135 or visit our Optum Rx website through our member portal at www.member.compassrosebenefits.com. For prospective members, please go to www.compassrosebenefits.com/pharmacy. To use the home delivery program, all you need to do is complete the initial home delivery form; enclose your prescription and copayment then mail your order to Optum Rx, PO Box 2975, Mission, KS 66201. Your medication, plus instructions for obtaining refills, will arrive by mail about 14 days after your order is received. If you need a home delivery form, or if you have any questions, you can reach Customer Service at 888-438-9135. Additionally, your prescriber may electronically send your prescription to Optum Rx. If you have questions about the home delivery program, call 888-438-9135. Note: Prescriptions filled by non-network pharmacy providers are not covered by the Plan.

You are required to obtain all specialty drugs used for long term therapy (chronic specialty drugs) from Optum Specialty Pharmacy (home delivery), your exclusive Specialty Pharmacy. Optum Rx can advise you if your prescription is required to be obtained from Optum Specialty Pharmacy and cannot be obtained from a retail pharmacy. Your physician can send electronically or fax your prescription directly to Optum Specialty Pharmacy at 877-342-4596 or you can mail your prescription to: Optum Specialty Pharmacy, 1050 Patrol Road, Jeffersonville, IN 47130. If you purchase your chronic specialty drugs from a retail pharmacy, you will be responsible for their full cost. Note: This does not apply to specialty medications you purchase from a retail pharmacy outside the 50 United States. You file a claim for them as you would for other medications purchased in this manner.

In addition, certain specialty drugs must be obtained from Optum Specialty Pharmacy and not from your prescriber's office or outpatient facility when Medicare B is not your primary coverage for the drug. You or your prescriber can contact Optum Rx at 888-438-9135 to speak to a Customer Service representative to inquire if your drug should be obtained through Optum Specialty Pharmacy. If you currently are using a specialty drug supplied by the prescriber's office or an outpatient facility, you are required to obtain the drug from Optum Specialty Pharmacy after two courtesy fills through the medical benefit. Nursing services are provided by Optum Specialty Pharmacy when necessary. If you continue to purchase your drugs from your prescriber, outpatient facility, or another pharmacy, you will be responsible for their full cost after two courtesy fills. Note: This does not apply to specialty drugs you obtain from a provider or Military Treatment Facility outside the 50 United States. You file a claim for them as you would for other drugs purchased in this manner.

These are the dispensing limitations. You may purchase your covered prescription drugs and supplies by presenting your prescription drug card and your prescription to a participating provider. If obtaining prescription drugs from a VA hospital or military treatment facility, you may obtain a 3-month supply of covered drugs. Refills are allowed by your plan at retail and home delivery pharmacies after 80% of the medication is consumed. The calculation is based on the total amount of medication dispensed in the last 180 days. Optum Rx may deploy additional measures to prevent accumulation of certain medications.

If your provider prescribes a medication that will be taken over an extended period of time, you should request two (2) prescriptions, one for immediate use with a participating retail pharmacy and the other for up to a 90-day supply from the Home Delivery Program. Medications received from the Home Delivery Program must be an 84 to 90-day supply. The Plan also covers an 84 to 90-day supply of covered medications at CVS and Walgreens in addition to Optum Rx home delivery pharmacy. Most drugs and supplies covered by the Plan are available under this program with the exception of specialty medications. If you have questions about a particular drug or a prescription, and to request your first order forms, call Optum Rx at 888-438-9135. If a generic equivalent to the prescribed drug is available, Optum Rx will dispense the generic equivalent instead of the brand name unless you or your physician specifies that the brand name is required. If there is a generic substitution available and you request a brand-name drug, you will be responsible for the brand copay plus the difference in the cost of the brand-name and generic drug. This difference does not apply to your out-of-pocket max. If your provider's prescription is for the brand-name drug and indicates "Dispense as Written" you are responsible only for the brand copay. If a generic equivalent is not available, you will be charged the applicable copayment or coinsurance for the medication prescribed. When purchasing drugs at a pharmacy, you must use your health plan member identification (ID) card. If you do not show your ID card or provide verifiable information at a network pharmacy, you will be required to pay the usual and customary charge, also known as the retail price, for the prescription at the pharmacy.

You may be able to obtain certain therapy directly through the pharmacy benefit including but not limited to specialty medications (i.e. gene therapy, antineoplastic agents, immunoglobulin preparations).

We use a formulary. We use the Optum Rx Premium Prescription Drug List (PDL). Optum Rx Pharmacy and Therapeutics (P&T) Committee and Formulary Management Committee make the final approval of prescription drug placement in Tiers. In their evaluation of each Prescription Drug, the Committees consider a number of clinical and economic factors. The Formulary Management Committee may periodically change the placement of a prescription drug among the Tiers. Preferred Drugs are selected according to safety, efficacy (whether the drug works for the indicated purpose), therapeutic merit (how appropriate the drug is for the treatment of a particular condition), current standard of practice, and cost. Non-Preferred drugs are also on the Formulary, but at a higher copay. Drugs that are excluded from the Formulary are not covered by the prescription drug program unless approved through a Formulary exception process managed by Optum Rx. If approved through the process, the non-preferred copay applies.

The Formulary is the same for both the Home Delivery Pharmacy and the retail network pharmacies and is comprehensive for all major categories of acute and maintenance medications. To find out the Formulary status of a drug, you can either call Optum Rx at 888-438-9135 or look on the web at www.compassrosebenefits.com/Formulary.

We have a six-tier prescription drug benefit.

Tier 1 (Generics): includes generic drugs

Tier 2 (Formulary / Preferred Brand Name): includes preferred/formulary brand name drugs

Tier 3 (Non-Formulary / Non-Preferred Brand Name): includes non-preferred/non-formulary brand name drugs

Tier 4 (Specialty Generics): includes generic specialty drugs

Tier 5 (Specialty Formulary / Preferred Brand Name): includes specialty preferred brand name drugs

Tier 6 (Specialty Non-Formulary / Non-Preferred Brand Name): includes specialty non-preferred brand name drugs

A generic equivalent will be dispensed if it is available, unless your physician specifically requires a name brand. If you receive a name brand drug when a FDA approved generic drug is available, and your physician has not specified Dispense as Written for the name brand drug, you have to pay the difference in cost between the name brand drug and the generic.

Why use generic drugs? Generic drugs are lower-priced drugs that are the therapeutic equivalent to more expensive brand-name drugs. They must contain the same active ingredients and must be equivalent in strength and dosage to the original brand name product. Generics cost less than the equivalent brand name product. The U.S. Food and Drug Administration (FDA) sets quality standards for generic drugs to ensure that these drugs meet the same standards of quality and strength as brand name drugs.

How to reach an Optum Rx Pharmacist. If you have questions on your medications, call 855-842-6337 to speak with a pharmacist.

Some drugs require prior authorization. A Prior Authorization (PA) is a clinical program that ensures appropriate use of prescription medications. You, your pharmacist or your physician can initiate a PA for medication by contacting Optum Rx Prior Authorization department directly at 800-711-4555 and requesting a PA for the medication. You, your pharmacist or your physician can initiate a PA for medication. Your prescriber can also visit go.covermymeds.com/OptumRx and complete the information online. Medications subject to a PA require a clinical review and pre-approval from the Optum Rx Prior Authorization Team before they can qualify for coverage under this Program. Medications requiring Prior Authorization are subject to change. Therefore, if you have questions about a particular drug, please contact Optum Rx customer service at 888-438-9135.

Quantity allowances. Specific allowances are in place for certain medications based on FDA-approved prescribing and safety information and clinical guidelines. These include but are not limited to quantity limits, days supply and refill limitations.

Step therapy (non-specialty and specialty). Within specific therapy classes, there are multiple drugs available to treat the same condition. Step Therapy manages drug costs by ensuring that patients try first line, clinically effective, lower-cost medications before they utilize a higher-cost medication. The step therapy program applies edits to drugs in specific classes at the point of sale. Coverage for second-line therapies (second/third step) is determined at the patient level based on the presence or absence of first-line drugs or other automated factors in the patient's claim history.

Compound Medications. A compound medication is a compounded prescription in a customized dosage form that contains at least one formulary drug and are subject to the Tier 2 (Formulary / Preferred Brand Name) copay. You should contact Optum Rx at 888-438-9135 to determine if a compound medication is covered before you fill the prescription. Certain high-cost compounds may require prior authorization. The U.S. Food and Drug Administration (FDA) defines a compound medication as one that requires a licensed pharmacist to combine, mix or alter the ingredients of a medication when filling a prescription. The FDA does not verify the quality, safety and/or effectiveness of compound medications. Pharmacies must submit all ingredients in a compound prescription as part of the claim for both online and paper claim submissions. Only ingredients covered under the plan will be included in the payment for the compound and at least one of the ingredients must require a prescriber's prescription for reimbursement. Prescriptions containing certain ingredients (such as, over-the-counter (OTC) products, bulk powders, kits, solid dosage forms, and proprietary bases) when compounded for dispensing are not covered through the prescription benefit. Investigational drugs are not FDA-approved. If the compound includes an investigational drug, the compound will not be covered.

Section 5(g). Dental Benefits

Important things you should keep in mind about these benefits:

- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) dental plan, your FEHB plan will be First/Primary payor of any Benefit payments and your FEDVIP plan is secondary to your FEHB Plan. See Section 9 *Coordinating benefits with other coverage, including with Medicare*.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The calendar year deductible does not apply to the benefits in this Section. We added "(No Deductible)" to show that the calendar year deductible does not apply.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.

Note: Even when the dental procedure itself may not be covered, we cover hospitalization for dental procedures when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits.

Accidental injury benefit	You Pay	
Accidental injury benefit	High Option	Standard Option
<p>We cover outpatient restorative services performed within 12 months of an accident to repair (but not replace) sound natural teeth.</p> <p>The need for these services must result from an accidental injury from an external force such as a blow or fall that requires immediate attention (not from biting or chewing).</p>	<p>20% of the Plan allowance and any difference between our allowance and the billed amount (No Deductible)</p>	<p>30% of the Plan allowance and any difference between our allowance and the billed amount (No Deductible)</p>

- *Root canals and crowns (except for accidental dental injury benefit)*
- *Other dental services not listed as covered*

Note: Surgical removal of impacted teeth is covered in Section 5(b).

Section 5(h). Wellness and Other Special Features

Special feature	Description
Flexible Benefits Option	
Flexible Benefits Option	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to regular contract benefits as a less costly alternative benefit. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms in addition to other terms as necessary. Until you sign and return the agreement, regular contract benefits will continue. • Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. • By approving an alternative benefit, we do not guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. • If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular contract benefits will resume if we do not approve your request. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process. However, if at the time we make a decision regarding alternative benefits, we also decide that regular contract benefits are not payable, then you may dispute our regular contract benefits decision under the OPM disputed claim process (see Section 8).
Centers of Excellence	
Centers of Excellence	<p>The Plan has special arrangements with facilities to provide services for tissue, organ transplants and bariatric surgery. The network was designed to give you an opportunity to access providers that demonstrate high quality medical care for transplant and bariatric patients. For additional information regarding our transplant network and bariatric network, please call UMR at 888-438-9135.</p>
Medical Management	
Medical Management	<p>The Plan offers various medical management programs for members and covered dependents to help manage your health conditions.</p> <p>If you would like more information about these programs available from the Compass Rose Health Plan, please call 866-368-7227, option 5.</p>
Lifestyle Prescription Medications	
Lifestyle Prescription Medications	<p>Many lifestyle prescription drugs are available at a discounted rate through participating pharmacies and the Plan's mail order program. You are responsible for the entire cost of the drugs; however, they are available to you at a discounted rate at certain participating pharmacies. The following lifestyle prescription drugs are covered under this program:</p> <p>Cosmetic: Renova, Vaniqua, Propecia</p> <p>Sexual Dysfunction: Caverject, Edex, Muse, Viagra, Cialis, Addyi, and Testim</p> <p>This list is subject to change and may be subject to medical necessity review if they are covered under another benefit provision (i.e., infertility).</p> <p>If you have a question on drug coverage, call 888-438-9135.</p>

Special feature	Description
Services Overseas	
Services Overseas	<p>Our overseas customers receive the same PPO benefits and prompt customer service as their stateside counterparts. There may be additional claims processing time for foreign claims. The same medical necessity requirements for stateside claims apply to overseas claims.</p>
The Lab Program	
The Lab Program	<p>This program, only available to members in our High Option, gives you and your dependents the option of receiving 100% benefit for covered outpatient laboratory testing if your doctor sends your lab work to LabCorp or Quest for processing.</p> <p>This is an optional program. If you choose not to use the Lab Program, you will not be penalized. You will simply pay the deductible, coinsurance or copayment portion of your lab work.</p> <p>The Lab Program does not replace your current healthcare benefits; it simply gives you and your covered family members the option of receiving 100% benefits for covered outpatient laboratory testing.</p> <p>The Lab Program covers most outpatient laboratory testing included in your health insurance plan provided the tests are covered by the Plan, have been ordered by a physician and processed at the designated labs. Outpatient lab work includes: Blood testing (e.g., cholesterol, CBC), Urine testing (e.g., urinalysis), Cytology and pathology (e.g., pap smears, biopsies), Cultures (e.g., throat culture).</p> <p>The Lab Program does not cover: lab work ordered during hospitalization, lab work needed on an emergency (STAT) basis and time sensitive, esoteric outpatient laboratory testing such as fertility testing, bone marrow studies and spinal fluid tests, non- laboratory work such as mammography, X-ray, imaging and dental work.</p> <p>When Medicare is primary, the Program does not apply.</p>
Smoking Cessation	
Tobacco Cessation Programs	<p>The Plan is pleased to support its members wishing to quit smoking with a free program provided through UMR. Quitting smoking is one of the BEST things you can do to improve your health and the health of those around you. With determination, a positive attitude and a little help, you can do it! UMR's Tobacco Cessation Program is effective in helping participants break the habit and remain tobacco-free.</p> <p>UMR's certified tobacco cessation specialists use proven behavior-change techniques to support participants in meeting their goals. They serve as partners in the change process and work with each participant to develop a personalized quit plan. They provide you and your covered dependents:</p> <ul style="list-style-type: none"> • Encouragement and accountability • Education on the harmful effects of tobacco use • Insight into your relationship with tobacco and personal triggers • Follow-up support to prevent relapse • Counseling sessions in the form of coaching phone calls (up to five per quit attempt) • Printed educational material mailed to your home <p>For more information on UMR's Tobacco Cessation Program, or to enroll, call 800-207-7680.</p>

Special feature	Description
Telehealth	
Telehealth	<p>We provide coverage for telehealth services through Doctor On Demand. Doctor On Demand allows you to see a doctor face-to-face by using your mobile device or computer equipped with a camera. The board-certified physician who performs your visit is able to diagnose, treat and even prescribe medications if necessary. Members are able to utilize Doctor On Demand, 24 hours a day, 7 days a week.</p> <p>Doctor On Demand physicians treat hundreds of conditions, in addition to providing mental health counseling and medication management. These physicians are board-certified doctors, psychiatrists and psychologists trained and based in the United States.</p> <p>Plan members, including those with Medicare, are able to take advantage of this program. To ensure that you receive coverage under the Plan, use these instructions:</p> <p>Download the Doctor On Demand app from your smartphone or tablet's app store. You may also text Compass to 68398. Once downloaded, open the app and follow the prompts. If you are using a computer, visit www.compassrosebenefits.com/DrNow. When setting up your account, be sure to select UMR as your insurance. Plan members with Medicare B, select Medicare as your insurance.</p> <p>You may choose to receive telehealth services from your regular UnitedHealthcare Choice Plus network provider, or non-PPO provider. See section 5(a) for the amounts you must pay.</p> <p>If you have any questions regarding the Doctor On Demand benefit, you can contact Doctor On Demand's Customer Support by emailing support@doctorondemand.com or calling 800-997-6196.</p>
Maternity Management	
Maternity Management	<p>The Plan is pleased to support its members who are considering having a baby or who are already expecting with a free program. Our Maternity Management program can teach you how to reduce your risk of complications and prepare you to have a successful, full-term pregnancy and a healthy baby. To enroll, please call us at 866-368-7227, option 5. Once enrolled, you will receive one-on-one calls with a nurse and no-cost educational materials. Refer to Section 5(a) Maternity care for blood pressure cuff benefit.</p>
Wellness Rewards Program	
Wellness Rewards Program	<p>The Plan has a Wellness Rewards Program for members in the High Option and their covered spouses. Each member and their covered spouse can earn a maximum of \$350 per calendar year by completing specific activities and screenings. Rewards earned by November 30th of the plan year will be available for use the following calendar year. The reward will be applied to the deductible for members who do not have Medicare B as their primary insurance. Members who have Medicare B as their primary insurance will receive their reward in a health reimbursement account that can be used for qualified medical expenses. Please note unused rewards earned do not roll over to the following calendar year. Additionally, rewards earned do not carry over to the Compass Rose UnitedHealthcare Medicare Advantage Plan. You must opt-in to the Wellness Rewards Program every year in order to begin earning rewards. For more information, visit www.compassrosebenefits.com/rewards or call UMR at 888-438-9135.</p>

Non-FEHB Benefits Available to Plan Members

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them.** Fees you pay for these services do not count toward FEHB deductibles or out-of-pocket maximums. These programs and materials are the responsibility of the Plan, and all appeals must follow their guidelines. For additional information contact the Plan at 866-368-7227, or visit our website at www.compassrosebenefits.com.

NON-FEHB Benefits are not part of the FEHB contract.

We offer access to various programs in order to support your overall well-being. To learn more about these programs visit www.compassrosebenefits.com/Programs.

Section 6. General Exclusions - Services, Drugs and Supplies We Do Not Cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless we determine it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition (see specifics regarding transplants).** The fact that one of our covered providers has prescribed, recommended, or approved a service or supply does not make it medically necessary or eligible for coverage under this Plan.

For information on obtaining prior approval for specific services, such as transplants, (see Section 3 *When you need prior Plan approval for certain services*).

We do not cover the following:

- Services, drugs, or supplies you receive while you are not enrolled in this Plan.
- Services, drugs, or supplies not medically necessary.
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice.
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services, drugs, or supplies you receive without charge while in active military service.
- Any portion of a provider's fee or charge that has been waived. If a provider routinely waives (does not require you to pay) a deductible, copayment or coinsurance, we will calculate the actual provider fee or charge by reducing the fee or charge by the amount waived).
- Charges you or the Plan has no legal obligation to pay, such as excess charges for an annuitant 65 years or older who is not covered by Medicare Part A and/or Part B, physician charges exceeding the amount specified by the Department of Health and Human Services when benefits are payable under Medicare (limiting charge), or State premium taxes however applied.
- Services, drugs, or supplies for which you would not be charged if you had no health insurance coverage.
- Services or supplies we are prohibited from covering under the Federal Law.
- Services, drugs, or supplies you receive as the result of injury or illness resulting from taking part in the commission of an assault or felony.
- Supplies related to weight control or any treatment of obesity except surgery for morbid obesity or nutritional counseling as described in Section 5 (a & b).
- Services, drugs, or supplies furnished by yourself, immediate relatives or household members, such as spouse, parents, children, brothers or sisters by blood, marriage or adoption.
- The Plan does not cover expenses related to medical records submission if the medical records are needed to process a claim. If medical records are inappropriately requested, the charges can be covered.

Listed below are examples of some of our exclusions:

- Biofeedback, conjoint therapy, hypnotherapy, milieu therapy, and interpretation/preparation of reports;
- Charges for completion of reports or forms;
- Charges for interest on unpaid balances;
- Charges for missed or canceled appointments;
- Charges for mailings, faxes, emails or any other communication to or from a hospital or covered provider;
- Custodial care;

- Formula unless administered through a tube as the sole source of nutrition;
- Medical Marijuana;
- Mutually exclusive procedures. These are procedures that are not typically provided to you on the same date of service;
- "Never Events" are errors in patient care that can and should be prevented. We will follow the policy of the Centers for Medicare and Medicaid Service (CMS). The Plan will not cover care that falls under these policies. For additional information, visit www.cms.gov, enter Never Events into Search;
- Non-medical services such as social services, recreational, educational and visual;
- Therapies and devices for non-surgical treatment of temporomandibular joint (TMJ) dysfunction including dental appliances, study models, splints and other devices;
- Over-the-counter supplemental feedings, and nutritional and electrolyte supplements;
- Prescriptions for compound powders that have no clinical value;
- Repatriation of remains;
- Sales tax for durable medical equipment;
- Sales tax, shipping and handling for other than durable medical equipment;
- Select allergy testing, see Section 5(a);
- Services, drugs or supplies not specifically listed as covered; and
- Testing for and treatment of learning disabilities and intellectual disability;
- The Plan does not cover research costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes.

Note: Exclusions that are primarily identified with a specific benefit category may also apply to other categories.

Note: Only FDA-approved medications are covered by the Plan.

Note: Refer to Section 5(e) for additional services listed as not covered under mental health and substance abuse benefits.

Section 7. Filing a Claim for Covered Services

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received).

See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures.

How to claim benefits

To obtain claim forms, claims filing advice or answers about our benefits, contact (888) 438-9135, or at our website at www.compassrosebenefits.com/Forms

In most cases, providers and facilities file claims for you. Your provider must file on the form CMS-1500 or a claim form. Your facility will file on the UB-04 form. For claims questions and assistance, call 888-438-9135.

When you must file a claim—such as for services you received overseas or when another group health plan is primary—submit it on the CMS-1500 or a claim form that includes the information shown below. Itemized bills and receipts should be sent to UMR, P.O. Box 8095, Wausau, WI 54402-8095, for medical reimbursement. For prescription reimbursement, you should send a completed prescription reimbursement request form with pharmacy receipt(s) to: Optum Rx Claims Department, PO Box 650334, Dallas, TX 75265-0334.

- Patient's name, date of birth, address, phone number and relationship to enrollee
- Patient's Plan identification number
- Name and address of person or company providing the service or supply
- Dates that services or supplies were furnished
- Diagnosis
- Type of each service or supply
- Charge for each service or supply

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills.

In addition:

- If another health plan is your primary payor, you must send a copy of the explanation of benefits (EOB) form you received from your primary payor (such as the Medicare Summary Notice (MSN)) with your claim.
- Bills for home nursing care must show that the nurse is a registered or licensed practical nurse.
- If your claim is for the rental or purchase of durable medical equipment; private duty nursing; and physical therapy, occupational therapy, or speech therapy, you must provide a written statement from the provider specifying the medical necessity for the service or supply and the length of time needed.
- Claims for prescription drugs and supplies must include receipts that show the prescription number, name of drug or supply, prescribing provider name, pharmacy name, date, and charge.
- We will provide translation and currency conversion services for claims for overseas (foreign) services.

Post-service claims procedures

We will notify you of our decision within 30 days after we receive your post-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

You will be reimbursed the amount approved, not necessarily the amount submitted. If you do not agree with our initial decision, you may ask us to review it by following the disputed claims process detailed in Section 8 of this brochure.

Records

Keep a separate record of the medical expenses of each covered family member as deductibles and maximum allowances apply separately to each person. Save copies of all medical bills, including those you accumulate to satisfy a deductible. In most instances they will serve as evidence of your claim. We will not provide duplicate or year-end statements.

Deadline for filing your claim

Send us all the documents for your claim as soon as possible. You must submit the claim by December 31 of the following year after you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible. If we return a claim or part of a claim for additional information, you must resubmit it within 90 days, or before the timely filing period expires, whichever is later. Once we pay benefits, there is a three-year limitation on the re-issuance of uncashed checks.

Overseas claims

For covered services you receive by providers and hospitals outside the United States and Puerto Rico, send a completed Claim Form and the itemized bills to: UMR, P.O. Box 8095, Wausau, WI 54402-8095, or fax to 855-405-2189. Obtain Claim Forms from: <http://www.compassrosebenefits.com/Overseas>. If you have questions about the processing of overseas claims, contact 888-438-9135.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond. Our deadline for responding to your claim is stayed while we await all of the additional information needed to process your claim.

Authorized Representative

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, a healthcare professional with knowledge of your medical condition will be permitted to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

Notice Requirements

The Secretary of Health and Human Services has identified counties where at least 10% of the population is literate only in certain non-English languages. The non-English languages meeting this threshold in certain counties are Spanish, Chinese, Navajo and Tagalog. If you live in one of these counties, we will provide language assistance in the applicable non-English language. You can request a copy of your explanation of benefits (EOB) statement, related correspondence, oral language services (such as phone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English versions of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language.

Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the healthcare provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes and its correspondence meaning, and the treatment code and its corresponding meaning).

Section 8. The Disputed Claims Process

You may appeal directly to the Office of Personnel Management (OPM) if we do not follow required claims processes. For more information or to make an inquiry about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7 and 8 of this brochure, please call your plan's customer service representative at the phone number found on your enrollment card, Plan brochure, or Plan website.

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post-service claim (a claim where services, drugs or supplies have already been provided). In Section 3 *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim. To make your request, please contact our Customer Service Department by writing: UMR-CRBG Appeals, P.O. Box 8080, Wausau, WI 54402-8095 or calling 888-438-9135.

Our reconsideration will take into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

When our initial decision is based (in whole or in part) on a medical judgment (i.e., medical necessity, experimental/investigational), we will consult with a healthcare professional who has appropriate training and experience in the field of medicine involved in the medical judgment and who was not involved in making the initial decision.

Our reconsideration will not take into account the initial decision. The review will not be conducted by the same person, or their subordinate, who made the initial decision.

We will not make our decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none">a) Write to us within 6 months from the date of our decision; andb) Send your request to us at: UMR-CRBG Appeals, P.O. Box 8080, Wausau, WI 54402-8080.c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andd) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.e) Include your email address (optional for member), if you would like to receive our decision via email. Please note that by giving us your email, we may be able to provide our decision more quickly. <p>We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.</p>
2	<p>In the case of a post-service claim, we have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none">a) Pay the claim orb) Write to you and maintain our denial or

c) Ask you or your provider for more information.

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3

If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Personnel Management, Healthcare and Insurance, Federal Employees Insurance Operations, FEHB 2, 1900 E Street, NW, Washington, DC 20415-3620.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.
- Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a healthcare professional with knowledge of your medical condition may act as your authorized representative without your express consent.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

4

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision or notify you of the status of OPM's review within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to file a lawsuit. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not file a lawsuit until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call 888-438-9135. We will expedite our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's FEHB 2 at 202-606-3818 between 8 a.m. and 5 p.m. Eastern Time.

Please remember that we do not make decisions about Plan eligibility issues. For example, we do not determine whether you or a family member is covered under this Plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant or the Office of Workers' Compensation Programs if you are receiving Workers' Compensation Benefits.

Section 9. Coordinating Benefits with Medicare and Other Coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays healthcare expenses without regard to fault. This is called "double coverage".

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit our website at www.compassrosebenefits.com/NAIC.

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary plan processes the benefit, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

Coordination of benefits verification may be requested annually.

Please see Section 4, *Your Costs for Covered Services*, for more information about how we pay claims.

• TRICARE and CHAMPVA

TRICARE is the healthcare program for eligible dependents of military persons, and the retirees of the military. TRICARE includes the CHAMPVA program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums). For information on suspending your FEHB enrollment, contact your retirement or employing office. If you later want to re-enroll in the FEHB Program, generally, you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

• Workers' Compensation

Every job-related injury or illness should be reported as soon as possible to your supervisor. Injury also means any illness or disease that is caused or aggravated by the employment as well as damage to medical braces, artificial limbs and other prosthetic devices. If you are a federal or postal employee, ask your supervisor to authorize medical treatment by use of form CA-16 before you obtain treatment. If your medical treatment is accepted by the Dept. of Labor Office of Workers' Compensation (OWCP), the provider will be compensated by OWCP. If your treatment is determined not job-related, we will process your benefit according to the terms of this plan, including use of in-network providers. Take form CA-16 and form OWCP-1500/HCFA-1500 to your provider, or send it to your provider as soon as possible after treatment, to avoid complications about whether your treatment is covered by this plan or by OWCP.

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar federal or state agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

• Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar state sponsored program of medical assistance. If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these state programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement or employing office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the state program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, state, or federal government agency directly or indirectly pays for them.

When others are responsible for injuries

Our right to pursue and receive subrogation and reimbursement recoveries is a condition of, and a limitation on, the nature of benefits or benefit payments and on the provision of benefits under our coverage.

If you have received benefits or benefit payments as a result of an injury or illness and you or your representatives, heirs, administrators, successors, or assignees receive payment from any party that may be liable, a third party's insurance policies, your own insurance policies, or a workers' compensation program or policy, you must reimburse us out of that payment. Our right of reimbursement extends to any payment received by settlement, judgment, or otherwise.

We are entitled to reimbursement to the extent of the benefits we have paid or provided in connection with your injury or illness. However, we will cover the cost of treatment that exceeds the amount of the payment you received.

Reimbursement to us out of the payment shall take first priority (before any of the rights of any other parties are honored) and is not impacted by how the judgment, settlement, or other recovery is characterized, designated, or apportioned. Our right of reimbursement is not subject to reduction based on attorney fees or costs under the "common fund" doctrine and is fully enforceable regardless of whether you are "made whole" or fully compensated for the full amount of damages claimed.

We may, at our option, choose to exercise our right of subrogation and pursue a recovery from any liable party as successor to your rights.

If you do pursue a claim or case related to your injury or illness, you must promptly notify us and cooperate with our reimbursement or subrogation efforts.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP)

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan by phone at 877-888-3337, (TTY 877-889-5680), you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Clinical Trials

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition, and is either Federally-funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration (FDA); or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:

- Routine care costs - costs for routine services such as doctor visits, lab test, X-rays and scans, and hospitalizations related to treating the patient's cancer, whether the patient is in a clinical trial or is receiving standard therapy.

- Extra care costs - costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care.
- Research costs - costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials. This Plan does not cover these costs.

When you have Medicare

For more detailed information on "What is Medicare?" and "Should I Enroll in Medicare?" please contact Medicare at 1-800-MEDICARE (1-800-633-4227), (TTY 1-877-486-4028) or at www.medicare.gov.

• **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

Claims process when you have the Original Medicare Plan - You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claims will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claims, call 888-438-9135, or email us at askcrbg@compassrosebenefits.com.

Under the High Option, we waive some costs when the Original Medicare Plan is your primary payor. We will waive some out-of-pocket costs, as follows:

- If you are enrolled in Medicare Part B, we may waive calendar year deductible, copayments and coinsurance for medical services and supplies provided by physicians and other healthcare professionals. We will also waive deductibles and coinsurance for extended dental treatment for accidental dental injuries.
- If you are enrolled in Medicare Part A, we will waive hospital copayments, deductible and coinsurance.

For members enrolled in the Standard Option, we do NOT waive deductibles, coinsurance, or copayments for Medicare members.

Please review the following examples which illustrates your cost share if you are enrolled in Medicare Part B and the High Option. If you purchase Medicare Part B, your provider is in our network and participates in Medicare, then we waive some costs because Medicare will be the primary payor.

• **The Original Medicare Plan (Part A or Part B)**

High Option

Benefit Description: Deductible

High Option You pay without Medicare in-network: \$350

High Option you pay without Medicare out-of-network: \$400

High Option you pay with Medicare Part B in-network: \$0

High Option you pay with Medicare Part B out-of-network: \$0

Benefit Description: Catastrophic Protection Out-of-Pocket Maximum

High Option You pay without Medicare in-network: \$5,000 Self Only/\$10,000 Self Plus One or Self and Family

High Option you pay without Medicare out-of-network: \$7,000 Self Only/\$14,000 for Self Plus One or Self and Family

High Option you pay with Medicare Part B in-network: \$0

High Option you pay with Medicare Part B out-of-network: \$0

Benefit Description: Part B Premium Reimbursement Offered

High Option You pay without Medicare in-network: N/A

High Option you pay without Medicare out-of-network: N/A

High Option you pay with Medicare Part B in-network: N/A

High Option you pay with Medicare Part B out-of-network: N/A

Benefit Description: Primary Care Provider

High Option You pay without Medicare in-network: \$15 copayment

High Option you pay without Medicare out-of-network: 30% Plan allowance and difference between Plan allowance and billed amount

High Option you pay with Medicare Part B in-network: \$0

High Option you pay with Medicare Part B out-of-network: \$0

Benefit Description: Specialist

High Option You pay without Medicare in-network: \$25 copayment

High Option you pay without Medicare out-of-network: 30% Plan allowance and difference between Plan allowance and billed amount

High Option you pay with Medicare Part B in-network: \$0

High Option you pay with Medicare Part B out-of-network: \$0

Benefit Description: Inpatient Hospital

High Option You pay without Medicare in-network: \$200 copayment per stay

High Option you pay without Medicare out-of-network: \$400 copayment per stay and 30% Plan allowance and difference between Plan allowance and billed amount

High Option you pay with Medicare Part B in-network: \$0

High Option you pay with Medicare Part B out-of-network: \$0

Benefit Description: Outpatient Hospital

High Option You pay without Medicare in-network: 10% of Plan allowance

High Option you pay without Medicare out-of-network: 30% Plan allowance and difference between Plan allowance and billed amount

High Option you pay with Medicare Part B in-network: \$0

High Option you pay with Medicare Part B out-of-network: \$0

Benefit Description: Incentives Offered

High Option You pay without Medicare in-network: N/A

High Option you pay without Medicare out-of-network: N/A

High Option you pay with Medicare Part B in-network: Up to \$2,400 coverage for hearing aids every 3 years, receive discount on non-specialty prescriptions

High Option you pay with Medicare Part B out-of-network: Up to \$2,400 coverage for hearing aids every 3 years, receive discount on non-specialty prescriptions

You can find more information about how our Plan coordinates benefits with Medicare at www.compassrosebenefits.com/MedicareCoverage.

• **Tell Us About Your Medicare Coverage**

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

• **Private contract with your physician**

If you are enrolled in Medicare Part B, a physician may ask you to sign a private contract agreeing that you can be billed directly for services ordinarily covered by Original Medicare. Should you sign an agreement, Medicare will not pay any portion of the charges, and we will not increase our payment. We will still limit our payment to the amount we would have paid after Original Medicare's payment. You may be responsible for paying the difference between the billed amount and the amount we paid.

• **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage Plan. These are private healthcare choices (like HMOs and regional PPOs) in some areas of the country.

To learn more about Medicare Advantage Plans, contact Medicare at 800-MEDICARE (1-800-633-4227), (TTY 1-877-486-2048) or at www.medicare.gov.

If you enroll in a Medicare Advantage Plan, the following options are available to you:

This Plan and our Medicare Advantage Plan: You may enroll in our Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage PPO plan and also remain enrolled in our High Option FEHB plan. For more information on our Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage (PPO), please contact 844-279-9286, TTY 711, or go to <http://retiree.uhc.com/compassrose>. Enrollment in the Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage (PPO) for Compass Rose Health Plan is voluntary. Members must complete an application for enrollment. Eligible enrollees voluntarily opt into the Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage (PPO) for Compass Rose Health Plan and may opt out at any time. You may enroll in the Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage (PPO) for Compass Rose Health Plan, if:

- You are a retiree or annuitant enrolled in Compass Rose Health Plan High Option and have both Medicare Part A and Part B.
- You are a United States citizen or are lawfully present in the United States.
- You do NOT have End-Stage Renal Disease (ESRD). Enrollees who have ESRD cannot enroll until after the 30-month grace period has expired. Members diagnosed with ESRD while enrolled in the Enhanced Benefit Opportunity for UnitedHealthcare Medicare Advantage (PPO) for Compass Rose Health Plan may remain enrolled and ESRD services will be covered.
- You complete an application for enrollment in the Enhanced Benefit Opportunity for UnitedHealthcare Medicare Advantage (PPO) for Compass Rose Health Plan.

When you are enrolled in the Compass Rose Health Plan High Option under the FEHB Program and the Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage (PPO) you receive additional benefits that include the following:

- No deductibles, copays, or coinsurance for covered medical care
- A four-tier prescription drug formulary (\$1/\$25/\$75/25%-\$100 max per 30-day supply)
- 100 days for Skilled Nursing Facility
- Post-Discharge Transportation and Meal Delivery Program after inpatient hospitalization
- \$125 credit toward Medicare Part B premium
- Renew Active™ a free gym membership with access to a national Medicare fitness network of gyms and fitness locations
- Nationwide network of providers
- One plan, no need to coordinate benefits

To learn more about the Enhanced Benefits Opportunity through UnitedHealthcare Medicare Advantage (PPO) for the Compass Rose Health Plan High Option and how to enroll, call us at 844-279-9286, 8 a.m. to 8 p.m., local time, 7 days a week, or go to <http://retiree.uhc.com/compassrose>. For TTY for the deaf, hard of hearing, or speech impaired, call 711. We will send you additional information and an application for enrollment.

Medicare B Premium Reimbursement: If you are enrolled in the Compass Rose Health Plan High Option and enroll in the Enhanced Benefit Opportunity through UnitedHealthcare Medicare Advantage (PPO) for Compass Rose Health Plan, you will receive a credit of \$125 toward your Medicare Part B monthly premium. This will be sent from Centers for Medicare & Medicare Services (CMS).

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers). However, we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage Plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage Plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage Plan premium.) For information on suspending your FEHB enrollment, contact your retirement or employing office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage Plan's service area.

If you enroll in the Compass Rose Medicare Advantage plan you must retain your FEHB coverage. Do not suspend your FEHB coverage as this will make you ineligible for the Compass Rose Medicare Advantage plan.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP) for High Option Plan Members

If you are enrolled in the Compass Rose High Option Plan and are entitled to Medicare Part A and/or are enrolled in Medicare Part B and you are not enrolled in the Compass Rose Medicare Advantage Plan, you will be automatically enrolled in our Medicare Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP). The PDP EGWP is a prescription drug benefit for FEHB covered annuitants and their FEHB covered family members who are eligible for Medicare. This allows you to receive benefits that will never be less than coverage that is available to members with only FEHB but more often you will receive benefits that are better than members with only FEHB.

Compass Rose High Option Plan and our PDP EGWP: If you are enrolled in the Compass Rose High Option Plan and are entitled to Medicare Part A and/or are enrolled in Medicare Part B and you are not enrolled in the Compass Rose Medicare Advantage Plan, you will be automatically enrolled in our Medicare Prescription Drug Plan (PDP) Employer Group Waiver Plan (EGWP). Our PDP EGWP meets requirements applicable to Medicare Part D and is actuarially equal to or better than our FEHB prescription drug benefits.

Participation in the PDP EGWP is voluntary, and **you have the choice to opt out of the PDP EGWP enrollment at any time.** If you want to disenroll after you are enrolled, call 844-368-0690 or mail or fax a signed disenrollment request to:

Optum Rx Enrollment Services
Attn: Enrollment Services
PO Box 269027
Fort Lauderdale, FL 33326
Fax: 1-800-784-1580

Once disenrolled, you will continue to receive the Plan's regular FEHB prescription drug coverage and the Plan will not automatically enroll you at a future date.

In the case of those with higher incomes, you may have a separate premium payment for your PDP EGWP benefit. Please refer to the Part D-IRMAA section of the Medicare website: <https://www.medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/monthly-premium-for-drug-plans> to see if you would be subject to an additional premium. For additional information concerning the IRMAA, contact the Social Security Administration.

As a member of the PDP EGWP administered by Optum Rx for the Compass Rose Health Plan, you may obtain up to a 30 or 90-day supply of covered drugs and supplies prescribed by a provider from either a network pharmacy or by home delivery pharmacy. Note: Specialty medications are limited to a 30-day supply per prescription.

The Plan's copayments/coinsurance per prescription:

Retail (30-day supply):

- Tier 1 – Generic: \$1
- Tier 2 – Preferred Brand: \$25
- Tier 3 – Non-Preferred Brand: \$50
- Tier 4 – Specialty: 25% (\$75 maximum)

Retail (90-day supply):

- Tier 1 – Generic: \$2
- Tier 2 – Preferred Brand: \$50
- Tier 3 – Non-Preferred Brand: \$100

Tier 4 – Specialty: 25% (\$75 maximum) (limited to a 30-day supply)

Mail Order (90-day supply):

Tier 1 – Generic: \$2

Tier 2 – Preferred Brand: \$50

Tier 3 – Non-Preferred Brand: \$100

Tier 4 – Specialty: 25% (\$75 maximum) (limited to a 30-day supply)

Members enrolled in the PDP EGWP have a separate out-of-pocket maximum for prescription drugs that meets the requirements of Centers for Medicare and Medicaid Services (CMS). For those individuals enrolled in PDP EGWP, the out-of-pocket maximum is \$2,000 for Pharmacy and \$3,000 for Medical.

The PDP EGWP restricts the use of manufacturer copay assistance when the PDP EGWP is the primary payer.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payor Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payor for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓

2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse		
	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

When you are 65 and you do NOT have Medicare

Under the FEHB law, we must limit our payments for inpatient hospital care and physician care to those payments you would be entitled to if you had Medicare. Your physician and hospital must follow Medicare rules and cannot bill you for more than they could bill you if you had Medicare. You and the FEHB benefit from these payment limits. Outpatient hospital care and non-physician based care are not covered by this law; regular Plan benefits apply. The following chart has more information about the limits.

If you:

- are age 65 or over; and
 - do not have Medicare Part A, Part B, or both; and
 - have this Plan as an annuitant or as a former spouse, or as a family member of an annuitant or former spouse; and
 - are not employed in a position that gives FEHB coverage. (Your employing office can tell you if this applies.)
-

Then, for your inpatient hospital care:

- The law requires us to base our payment on an amount—the “equivalent Medicare amount”—set by Medicare’s rules for what Medicare would pay, not on the actual charge.
 - You are responsible for your applicable deductibles, coinsurance, or copayments under this Plan.
 - You are not responsible for any charges greater than the equivalent Medicare amount; we will show that amount on the explanation of benefits (EOB) form that we send you.
 - The law prohibits a hospital from collecting more than the "equivalent Medicare amount."
-

And, for your physician care, the law requires us to base our payment and your coinsurance or copayment on:

- an amount set by Medicare and called the “Medicare approved amount,” or
- the actual charge if it is lower than the Medicare approved amount.

If your physician participates with Medicare or accepts Medicare assignment for the claim and is a member of our PPO network, **then you are responsible for** your deductibles, coinsurance, and copayments.

If your physician participates with Medicare and is **not** in our PPO network, **then you are responsible for** your deductibles, coinsurance, copayments, and any balance up to the Medicare approved amount.

If your physician does not participate with Medicare, **then you are responsible for** your deductibles, coinsurance, copayments, and any balance up to 115% of the Medicare approved amount.

If your physician does not participate with Medicare and is not a member of our PPO network, **then you are responsible for** your out-of-network deductibles, coinsurance, and any balance up to 115% of the Medicare approved amount.

If your physician opts out of Medicare via private contract, **then you are responsible for** your deductibles, coinsurance, copayments, and any balance your physician charges.

Physicians Who Opt-Out of Medicare

A physician may have opted-out of Medicare and may or may not ask you to sign a private contract agreeing that you can be billed directly for services ordinarily covered by Original Medicare. This is different than a non-participating doctor, and we recommend you ask your physician if they have opted-out of Medicare. Should you visit an opt-out physician, the physician will not be limited to 115% of the Medicare approved amount. You may be responsible for paying the difference between the billed amount and our regular in-network/out-of-network benefits. It is generally to your financial advantage to use a physician who participates with Medicare. Such physicians are permitted to collect only up to the Medicare approved amount.

Our explanation of benefits (EOB) form will tell you how much the physician or hospital can collect from you. If your physician or hospital tries to collect more than allowed by law, ask the physician or hospital to reduce the charges. If you have paid more than allowed, ask for a refund. If you need further assistance, call 888-438-9135.

When you have the Original Medicare Plan (Part A, Part B, or both)

We limit our payment to an amount that supplements the benefits that Medicare would pay under Medicare A (Hospital insurance) and Medicare B (Medical insurance), regardless of whether Medicare pays. *Note: We pay our regular benefits for emergency services to an institutional provider, such as a hospital, that does not participate with Medicare and is not reimbursed by Medicare.*

We use the Department of Veterans Affairs (VA) Medicare-equivalent Remittance Advice (MRA) when the statement is submitted to determine our payment for covered services provided to you if Medicare does not pay the VA facility.

If you are covered by Medicare Part B and it is primary, your out-of-pocket costs for services that both Medicare Part B and we cover depend on whether your physician accepts Medicare assignment for the claim.

For the High Option, if your physician accepts Medicare assignment, you pay nothing for covered charges.

If your physician does not accept Medicare assignment, you pay the difference between the “limiting charge” or the physician’s charge (whichever is less) and our payment combined with Medicare’s payment.

It is important to know that a physician who does not accept Medicare assignment may not bill you for more than 115% of the amount Medicare bases its payment on, called the “limiting charge.” The Medicare Summary Notice (MSN) that Medicare will send you will have more information about the limiting charge. If your physician tries to collect more than allowed by law, ask the physician to reduce the charges. If the physician does not, report the physician to the Medicare carrier that sent you the MSN form. Call us if you need further assistance.

Section 10. Definitions of Terms We Use in This Brochure

Admission	The period from entry (admission) into a hospital or other covered facility until discharge. In counting days of inpatient care, the date of entry and the date of discharge are counted as the same day.
Assignment	<p>An authorization by you (the enrollee or covered family member) that is approved by us (the Carrier), for us to issue payment of benefits directly to the provider.</p> <ul style="list-style-type: none">• We reserve the right to pay you directly for all covered services. Benefits payable under the contract are not assignable by you to any person without express written approval from us, and in the absence of such approval, any assignment shall be void.• Your specific written consent for a designated authorized representative to act on your behalf to request reconsideration of a claim decision (or, for an urgent care claim, for a representative to act on your behalf without designation) does not constitute an Assignment.• OPM's contract with us, based on federal statute and regulation, gives you a right to seek judicial review of OPM's final action on the denial of a health benefits claim but it does not provide you with authority to assign your right to file such a lawsuit to any other person or entity. Any agreement you enter into with another person or entity (such as a provider, or other individual or entity) authorizing that person or entity to bring a lawsuit against OPM, whether or not acting on your behalf, does not constitute an Assignment, is not a valid authorization under this contract, and is void.
Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Clinical trials cost categories	<p>An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition, and is either Federally-funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration (FDA); or is a drug trial that is exempt from the requirement of an investigational new drug application.</p> <p>If you are a participant in a clinical trial, this health Plan will provide related care as follows, if it is not provided by the clinical trial:</p> <ul style="list-style-type: none">• Routine care costs – costs for routine services such as doctor visits, lab tests, X-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy.• Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care.• Research costs - costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes are generally covered by the clinical trials. This Plan does not cover these costs.
Coinsurance	See Section 4 page 26.
Congenital anomalies	A condition existing at or from birth that is a significant deviation from the common form or anomaly norm. For purposes of this Plan, congenital includes protruding ear deformities, cleft lips, cleft palates, webbed fingers or toes, and other conditions that we may determine to be congenital anomalies. In no event will the term congenital anomaly include conditions relating to teeth or intra-oral structures supporting the teeth.
Copayment	See Section 4 page 25.

Cosmetic surgery	Any operative procedure or any portion of a procedure performed primarily to improve physical appearance and/or treat a mental condition through a change in bodily form.
Cost-sharing	See Section 4 page 25.
Covered services	Services we provide benefits for, as described in this brochure.
Custodial care	<p>Treatment or services, regardless of who recommends them or where they are provided, that could be provided safely and reasonably by a person who is not medically skilled, or are designed mainly to help the patient with daily living activities. These activities include but are not limited to:</p> <ol style="list-style-type: none"> 1) personal care such as help in: walking; getting in or out of bed; bathing; eating by spoon, tube or gastrostomy; exercising; dressing; 2) homemaking, such as preparing meals or special diets; 3) moving the patient; 4) acting as a companion or sitter; 5) supervising medication that can usually be self administered; or 6) treatment services such as recording temperature, pulse, and respirations, or administration and monitoring of feeding systems. <p>Custodial care that lasts 90 days or more is sometimes known as Long Term Care.</p>
Deductible	See Section 4 page 25.
Developmental delay	Impairment in the performance of tasks or the meeting of milestones that a child should achieve by a specific chronological age.
Doula	A doula is trained professional who provides continuous physical, emotional and informational support to a mother before, during and shortly after childbirth to help her achieve the healthiest, most satisfying experience possible.
Effective date	<p>The date the benefits described in this brochure are effective:</p> <ol style="list-style-type: none"> 1. January 1 for continuing enrollments and for all annuitant enrollments; 2. the first day of the first full pay period of the new year for enrollees who change plans or options or elect FEHB coverage during Open Season for the first time; or 3. for new enrollees during the calendar year, but not during Open Season, the effective date of enrollment as determined by your employing office or retirement system.
Expense	<p>The cost incurred for a covered service or supply ordered or prescribed by a covered provider. You can incur an expense on the date the service or supply is received. Expense does not include any charge:</p> <ol style="list-style-type: none"> 1. for a service or supply that is not medically necessary; or 2. that is in excess of the Plan's allowance for the service or supply.
Experimental or investigational services	A drug, device, or biological product is experimental or investigational if it cannot lawfully be marketed without approval of the U.S. Food and Drug Administration (FDA), and approval for marketing has not been given at the time it is furnished. Approval means all forms of acceptance by the FDA.

A medical treatment or procedure, or a drug, device, or biological product is experimental or investigational if 1) reliable evidence shows that it is the subject of ongoing phase I, II, or III clinical trials or under study to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis; or 2) reliable evidence shows that the consensus of opinion among experts is that further studies or clinical trials are necessary to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis.

Reliable evidence shall mean only published reports and articles in the authoritative medical and scientific literature; the written protocol or protocols used by the treating facility or the protocol(s) of another facility studying substantially the same drug, device, or medical treatment or procedure; or the written informed consent used by the treating facility or by another facility studying substantially the same drug, device, or medical treatment or procedure.

Gender identity disorder

A disorder characterized by the following criteria:

1. A strong and persistent cross gender identification (not merely a desire for any perceived cultural advantages of being the other sex).
2. Persistent discomfort with his or her sex or sense of inappropriateness in the gender role of that sex.
3. The disturbance is not concurrent with a physical intersex condition.
4. The disturbance causes clinically significant distress or impairment in social, occupational, or other important areas of functioning.
5. The transsexual identity has been present persistently for at least two years.
6. The disorder is not a symptom of another mental disorder or chromosomal abnormality.

Group Health Coverage

Healthcare coverage that you are eligible for because of employment, membership in, or connection with, a particular organization or group that provides payment for hospital, medical or other healthcare service or supplies, or that pays a specific amount for each day or period hospitalization.

Habilitative Services

Healthcare services that help you keep, learn, or improve skills and functioning for daily living. Examples include therapy for a child who is not walking or talking at the expected age. These services may include physical and occupational therapy, speech-language pathology, and other services for people with disabilities in a variety of inpatient and/or outpatient settings.

Healthcare Professional

A physician or other healthcare professional licensed, accredited, or certified to perform specified health services consistent with state law.

Home Healthcare Agency

A public or private agency or organization appropriately licensed, qualified and operated under the law of the state in which it is located.

Home healthcare plan

A written plan, approved in writing by a physician, for continued care and treatment for a Plan member who is under the care of a physician and who would need a continued stay in a hospital or skilled nursing facility with the home healthcare.

Hospice care program

A coordinated program of home and inpatient pain control and supportive care for the terminally ill patient and the patient's family. Care is provided by a medically supervised team under the direction of an independent hospice administration that we approve.

Hospital stay

An inpatient admission as a registered bed patient using and being charged for room and board in a hospital for 24 hours or more. A person is not an inpatient on any day on which he or she is on leave or otherwise gone from the hospital, whether or not a room and board charge is made.

Infertility	A disease defined by the failure to achieve a successful pregnancy after 12 months or more of unprotected intercourse or therapeutic donor insemination (after 6 months for individuals over age 35 years). Infertility may also be established through an evaluation and treatment based on medical history and diagnostic testing.
Intensive outpatient program (IOP)	A program that offers time-limited services that are coordinated, structured, and intensively therapeutic. Such programs are designed to treat a variety of individuals with moderate to marked impairment in at least one area of daily life resulting from psychiatric or addictive disorders. At a minimum, IOPs offer three to four hours of active treatment per day at least two to three days per week.
Medical food	<p>The term medical food, as defined in section 5(b) of the Orphan Drug Act (21 U.S.C. 360ee (b) (3)) is a food which is formulated to be consumed or administered enterally under the supervision of a physician and which is intended for the specific dietary management of a disease or condition for which distinctive nutritional requirements, based on recognized scientific principles, are established by medical evaluation.</p> <p>In general, to be considered a medical food, a product must, at a minimum, meet the following criteria: the product must be a food for oral or tube feeding; the product must be labeled for the dietary management of a specific medical disorder, disease, or condition for which there are distinctive nutritional requirements; and the product must be intended to be used under medical supervision. Modified grocery item foods, even if categorized as medical foods by the manufacturer, are not considered a covered benefit.</p>
Medically necessary/ Medical necessity	<p>Healthcare services provided for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, mental illness, substance use disorder, condition, disease or its symptoms, that are all of the following as determined by us or our designee, within our sole discretion:</p> <ul style="list-style-type: none"> • In accordance with Generally Accepted Standards of Medical Practice; and • Clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for Your illness, injury, mental illness, substance use disorder, disease or its symptoms; and • Not mainly for Your convenience or that of Your doctor or other healthcare provider; and • Not more costly than an alternative drug, service(s) or supply that is at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of your illness, injury, disease or symptoms.
Mental conditions/ substance abuse	Conditions and diseases listed in the most recent edition of the International Classification of Diseases (ICD) as psychoses, neurotic disorders, or personality disorders; other nonpsychotic mental disorders listed in the ICD to be determined by the Plan; or disorders listed in the ICD requiring treatment for abuse of or dependence upon substances such as alcohol, narcotics, or hallucinogens.
Mental health disorder	A disorder that is a clinically significant psychological syndrome associated with distress, dysfunction or illness. The syndrome must represent a dysfunctional response to a situation or event that exposes the Covered Person to an increased risk of pain, suffering, conflict, illness, or death.
Mentally disabled	An individual who has been diagnosed to have a psychiatric or behavior disorder that severely limits the individual's ability to function without daily supervision or assistance.
Not medically necessary	Services, supplies, treatment, facilities or equipment which the Plan determines are not Medically Necessary. Furthermore, this Plan excludes services, supplies, treatment, facilities or equipment which reliable scientific evidence has shown does not cure the condition, slow the degeneration/deterioration or harm attributable to the condition, alleviate the symptoms of the condition, or maintain the current health status of the Covered Person.

Observation stay Observation care is a well-defined set of specific, clinically appropriate services, which include ongoing short term treatment, assessment, and reassessment before a decision can be made regarding whether patients will require further treatment as a hospital inpatient or if they are able to be discharged from the hospital. Observation status is commonly assigned to patients who present to the emergency department and who then require a significant period of treatment or monitoring before a decision is made concerning their admission or discharge.

Partial hospitalization A time-limited, ambulatory, active treatment program that offers therapeutically intensive, coordinated, and structured clinical services with a stable therapeutic environment. It provides 20 hours of scheduled programming, extended over a minimum of five days per week, by a licensed or Joint Commission accredited facility

Plan Allowance Our Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Fee-for-service plans determine their allowance in different ways. We determine our allowances as follows:

PPO Providers - Our Plan allowance is a negotiated amount between the Plan and the provider. The Plan allowance must be considered reasonable, and we base our coinsurance on this negotiated amount. The PPO benefit also applies to providers used outside the 50 United States. Please note you will not be responsible for any amount above the providers' negotiated rate.

Non-PPO Providers - Applies to High Option only; Standard Option does not offer out-of-network benefits except in cases of emergency. Our Plan allowance is the lesser of: (1) the providers' billed charge; or (2) the Plan's out-of-network (OON) fee schedule amount.

When you receive care from a Non-PPO provider, our allowance is determined as follows:

- **Rule One:** When a Non-PPO provider has an agreement with us to discount their charges, our allowance is the amount that the provider has negotiated and agreed to accept for the services or supplies. You are not responsible for the difference between the allowance and the provider's billed charges. If the provider has not agreed to discount their charges, we will access Rule Two.
- **Rule Two:** An amount equal to 200% of the current Medicare rate for professional and facility expenses. You may be responsible for the difference between the allowance and the provider's billed charges. If there is no Medicare rate for the service(s) billed, we will access Rule Three.
- **Rule Three:** We will utilize outside sources, such as Fair Health, Inc., to determine the allowance for certain services and supplies in a specific geographic area. You may be responsible for the difference between the allowance and the provider's billed charges.

For certain services, exceptions may exist to the use of the OON fee schedule to determine the Plan's allowance for non-PPO providers, including, but not limited to, the use of Medicare fee schedule amounts. For claims governed by OBRA '90 and '93, the Plan allowance will be based on Medicare allowable amounts as is required by law. For claims where the Plan is the secondary payor to Medicare (Medicare COB situations), the Plan allowance is the Medicare allowable charge.

For more information, see Section 4, *Differences between our allowance and the bill*.

You should also see Important Notice About Surprise Billing – Know Your Rights in Section 4 that describes your protections against surprise billing under the No Surprises Act.

Post-service claims	Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.
Pre-service claims	Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral results in a reduction of benefits.
Premium Care Physician	"Premium Care Physician" indicates the physician meets the UnitedHealth Premium quality care criteria which includes safe, timely, effective and efficient care. Members in the Standard Option plan using Premium Care designated physicians may receive lower copayments. Providers with a premium designation will have two blue hearts along with the words "Premium Care Physician" in the provider directory at https://compassrosebenefits.com/UHC
Prosthetic device	An artificial substitute for a missing functional body part (such as an arm or leg) because the body part is permanently damaged, is absent or is malfunctioning.
Rehabilitative services	Health care services that help you keep, get back, or improve skills and functioning for daily living that have been lost or impaired because you were sick, hurt, or disabled. These services may include physical and occupational therapy, speech-language pathology, and psychiatric rehabilitation services in a variety of inpatient and/or outpatient settings.
Reimbursement	A carrier's pursuit of a recovery if a covered individual has suffered an illness or injury and has received, in connection with that illness or injury, a payment from any party that may be liable, any applicable insurance policy, or a workers' compensation program or insurance policy, and the terms of the carrier's health benefits plan require the covered individual, as a result of such payment, to reimburse the carrier out of the payment to the extent of the benefits initially paid or provided. The right of reimbursement is cumulative with and not exclusive of the right of subrogation.
Respite Care	Provides temporary relief to the family or other caregivers in the case of an emergency or to provide temporary relief from the daily demands of caring for a terminally ill person.
Routine physical examination	A complete evaluation, including a comprehensive history and physical examination, without symptoms or illness.
Routine testing/screening	Health care services you receive from a covered provider without any apparent signs or symptoms of an illness, injury or disease.
Sound natural tooth	A tooth that is whole or properly restored and is without impairment, periodontal, or other conditions and is not in need of the treatment provided for any other reason other than an accidental injury.
Subrogation	A carrier's pursuit of a recovery from any party that may be liable, any applicable insurance policy, or a workers' compensation program or insurance policy, as successor to the rights of a covered individual who suffered an illness or injury and has obtained benefits from that carrier's health benefits plan.
Substance abuse	Disorders listed in the International Classification of Diseases (ICD) requiring treatment for abuse of or dependence upon substances such as alcohol, narcotics, or hallucinogens.
Surprise bill	An unexpected bill you receive for: <ul style="list-style-type: none"> • emergency care – when you have little or no say in the facility or provider from whom you receive care, or for; • non-emergency services furnished by nonparticipating providers with respect to patient visits to participating health care facilities, or for; • air ambulance services furnished by nonparticipating providers of air ambulance services.

Urgent care claims

A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:

- Waiting could seriously jeopardize your life or health;
- Waiting could seriously jeopardize your ability to regain maximum function; or
- In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Urgent care claims usually involve pre-service claims and not post-service claims. We will determine whether or not a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at UMR, P.O. Box 8095 Wausau, WI 54402-8095, or call (888) 438-9135. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.

Us/We

Us and we refer to the Compass Rose Health Plan.

You

You refers to the enrollee and each covered family member.

Summary of Benefits for the Compass Rose Health Plan 2025 - High Option

Do not rely on this chart alone. This is a summary. All benefits are subject to the definitions, limitations, and exclusions in this brochure. Before making a final decision, please read this FEHB brochure. You can also obtain a copy of our Summary of Benefits and Coverage as required by the Affordable Care Act at www.compassrosebenefits.com/highsbc. On this page we summarize specific expenses we cover; for more detail, look inside.

If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.

Below, an asterisk (*) means the item is subject to the \$350 PPO and \$400 non-PPO calendar year deductible. And, after we pay, you generally pay any difference between our allowance and the billed amount if you use a non-PPO physician or other healthcare professional.

High Option Benefits	You pay	Page
Diagnostic and treatment services provided in the office	PPO: \$15 copayment (No Deductible); \$25 copayment for Specialist (No Deductible) *Non-PPO: 30% of our Plan allowance \$15 copayment (No Deductible) for providers used outside of the 50 United States; \$15 copayment for Specialist (No Deductible) used outside the 50 United States	34
Surgery	PPO: 10% of our allowance *Non-PPO: 30% of our Plan allowance 10% of our allowance for providers used outside the 50 United States	59-64
