1. Coverage

This chapter covers all appointments, conversions to appointments, and extensions of limited appointments in the Senior Executive Service.

2. Definitions

- a. **An appointment** is any personnel action that brings an individual onto the rolls (staff) of an agency.
- b. **A conversion** changes an employee from one appointment to another appointment in the same agency (under the same or a different authority) with no break in service or with a break of 3 days or less. Examples include moving an employee from the competitive service to the Senior Executive Service, from a Senior Executive Service Noncareer to a Senior Executive Service Career Appointment or vice versa, or from the excepted service to the Senior Executive Service.
- >c. **A Provisional Appointment** is a designation an agency may give to a temporary appointment made under conditions specified in [5 CFR 316.403](#) when the agency intends later to convert the employee to a nontemporary appointment when required conditions are met. This designation provides eligibility for retirement coverage, health benefits, and life insurance pending such conversion.<
- d. **A Provisional Appointment NTE** is the nature of action used for a temporary appointment *** >made under conditions specified in [5 CFR 316.403](#) when the agency intends later to convert the employee to a nontemporary appointment when required conditions are met. Appointments designated as provisional provide eligibility for retirement coverage, health benefits, and life insurance.<.

3. Instructions

When the person being appointed is retired from Federal civilian service, follow the instructions in Chapter 3 (Figure 3-4), in addition to the instructions in this chapter.

- a.** For actions involving employees already on the rolls of your agency, compare data on the [SF-52](#) submitted by the requesting office with the last action in the employee's Official Personnel Folder to be sure they are correct.
- b.** If the employee is being converted to a new appointment on the same date that they return to duty from nonpay status, both the return to duty and the conversion must be documented. Follow the instructions in Chapter 16 to document the return to duty and the instructions in this chapter to document the conversion. If the actions are being documented on a single [>SF-52/SF-50<](#), enter the nature of action and authority for the return to duty in blocks 5A-5F and those for the conversion in blocks 6A-6F.
- c.** If the employee's work schedule or the number of hours they work on a part-time basis will change as a result of a conversion action, you may document the Change in Work Schedule or Change in Work Hours action on the same [SF-52/SF-50](#) on the same form used to document the conversion action. Follow the instructions in Chapter 24 to select the nature of action, authority, and remarks for the change in work schedule or hours.

 - i.** When the conversion and the change in work schedule or hours are being documented on a single [SF-52/SF-50](#), enter the nature of action and authority for the conversion in blocks 5A-5F and enter the nature of action and authority for the change in work schedule or hours in blocks 6A-6F. If the action includes a change in the number of hours a part-time employee works per biweekly pay period, enter the new hours per pay period in block 33.
 - ii.** When a return to duty and a conversion are effective on the same date as a change in work schedule or hours, and the return to duty and conversion are being recorded on the same [SF-52/SF-50](#), document the return to duty in blocks 5A-5F, the conversion in blocks 6A-6F, the new work schedule in block 32 and the new hours in block 33. You do not need an additional [SF-52/SF-50](#) to document the change in work schedule or hours.

- d.** Use [Table 13-A](#) or [13-B](#) to select the nature of action, legal authority, and remarks for the appointment or conversion and put them in blocks 5A-5F and Part F of the [SF-52](#). If the action is being taken under an authority that is unique to your department or agency, cite that authority (along with the authority code approved by OPM) instead of the authority and code shown in this chapter.
- e.** Use [Table 13-C](#) to select codes for remarks required in special situations.
- f.** Use [Table 13-D](#) to convert remarks codes into remarks and enter remarks in Part F of the [SF-52](#).
- g.** Fill in remaining blocks on the [SF-52](#) as required by instructions in Chapter 4. Follow your agency's instructions to obtain approval signature in Part C, block 2 of the [SF-52](#).
- h.** Follow instructions in Chapter 4 to complete the [SF-50](#). Follow your agency's instructions to have it signed or authenticated.
- i.** Check [The Guide to Personnel Recordkeeping](#) to decide if any of the documents submitted with or created in connection with the action should be filed on the right side of the employee's Official Personnel Folder. Follow your agency's instructions to dispose of those not filed in the Official Personnel Folder.
- j.** Prepare and distribute required notices:

 - i. If the person is being converted to a new appointment and will be serviced by a new payroll office, give the employee, before the effective date of the conversion, a completed [SF 8, Notice to Federal Employee About Unemployment Insurance](#). Show the full name and address of the office where the individual's payroll records are maintained.
 - ii. If the employee is coming from another agency, follow instructions in the Office of Personnel Management's operating manual, [The Guide to Personnel Recordkeeping](#), to request the Official Personnel Folder.
- k.** Distribute [SF-50](#) copies as appropriate.

4. Special Conditions
